

# TFX PRO SIGHT SETS FOR GLOCK® - TRUGLO TFX PRO SET GLOCK® 20/21/25/29/30/31/32/37/40/41

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

The TFX Pro Night Sights are constructed with duty or military use in mind. These sights feature both a Tritium vial for constant illumination, as well as fiber optic rods that amplify ambient light. Not only do these sights have both Tritium vials and fiber optics, but they are hermetically sealed in a redesigned TFX capsule, that provides superior protection against oils, chemicals and cleaning solvents. No more worrying about damaging your sights when cleaning! Front Sight features an orange outline, providing a contrast in colors and faster target acquisition. Rear sights features a U-notch design and angled front face for emergency slide racking. Sight bodies are CNC machined steel and have a Truglo "fortress" finish. TFX Pro Sights sets are Made in the USA, using Swiss Tritium.

# TFX PRO SIGHT SETS FOR GLOCK® Consumer Safety Instruction Guide

## Introduction

Thank you for choosing the TFX Pro Sight Sets for Glock®. This guide provides essential safety instructions to ensure the safe use and installation of your new sights. Please read this guide carefully before using your product.

## General Safety Guidelines

- Ensure that the product is used only as intended.
- Do not attempt to modify or alter the sights in any way.
- Always handle the firearm safely and responsibly.
- Keep the product away from children and unauthorized users.
- Regularly inspect the sights for any signs of wear or damage.
- If you notice any issues, cease use immediately and consult a professional.

## Specific Safety Precautions for Use

- **Tritium Vials:** The sights contain Tritium vials for illumination. Avoid exposing the sights to high temperatures or direct sunlight for extended periods.
- **Fiber Optic Rods:** The fiber optic components can be damaged by harsh chemicals. Use only mild cleaning agents when maintaining your sights.
- **Emergency Slide Racking:** Utilize the rear sight's Unotch design carefully to prevent injury when racking the slide.
- **Installation:** Follow the installation instructions carefully to avoid improper mounting that could affect performance.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing sights from the firearm using appropriate tools.
- Carefully install the TFX Pro sights, ensuring they are securely fastened.
- Verify alignment and functionality before use.

### 2. Usage:

- Practice safe handling of your firearm at all times.
- Use the sights in varying light conditions to become accustomed to their performance.
- Regularly check the sights for proper alignment and functionality.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the sights in regular household waste.
- If the Tritium vials are damaged, contact local authorities for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the TFX Pro Sight Sets for Glock®, please refer to the manufacturer's website or contact their support team for assistance.

## **Conclusion**

By following these safety instructions, you can ensure the safe and effective use of your TFX Pro Sight Sets. Always prioritize safety and remain informed about best practices for firearm handling. Thank you for your attention to these important guidelines.
