

1911 TFX PRO SIGHT SET - TRUGLO KIMBER 1911 TFX PRO SIGHT SET (MODELS WITH FIXED REAR)

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

The TFX Pro Night Sights are constructed with duty or military use in mind. These sights feature both a Tritium vial for constant illumination, as well as fiber optic rods that amplify ambient light. Not only do these sights have both Tritium vials and fiber optics, but they are hermetically sealed in a redesigned TFX capsule, that provides superior protection against oils, chemicals and cleaning solvents. No more worrying about damaging your sights when cleaning! Front Sight features an orange outline, providing a contrast in colors and faster target acquisition. Rear sights features a U-notch design and angled front face for emergency slide racking. Sight bodies are CNC machined steel and have a Truglo "fortress" finish. TFX Pro Sights sets are Made in the USA, using Swiss Tritium.

Safety Instruction Guide for 1911 TFX PRO SIGHT SET TRUGLO KIMBER

Introduction

Thank you for choosing the 1911 TFX Pro Sight Set by Truglo for your Kimber 1911. This guide provides essential safety instructions and guidelines for the proper use, installation, and disposal of your sight set, ensuring your safety and the safety of others.

General Safety Guidelines

- Ensure that the product is used solely for its intended purpose as a sighting accessory for firearms.
- Always handle firearms safely and responsibly, following all relevant national and local laws regarding firearm ownership and usage.
- Keep the sight set out of reach of children and unauthorized individuals.
- Regularly inspect the sight set for any signs of damage or wear that could compromise safety.
- In case of any malfunction or abnormal performance, cease use immediately and consult a qualified professional.

Specific Safety Precautions for Use

- **Hazard Identification:**

- The sight set contains Tritium, which is a radioactive material. While it is safely sealed, avoid any actions that could damage the sight and expose the Tritium vial.
- The sight set is designed for use with fixed rear sight models. Ensure compatibility with your firearm before installation.

- **Avoiding Hazards:**

- Do not attempt to disassemble or modify the sight set.
- Avoid exposure to harsh chemicals or solvents that could damage the sight's protective coating.
- Ensure that the sight set is securely mounted before using the firearm to prevent any dislodgment during operation.

- **AgeSpecific Warnings:**

- This product is not intended for use by individuals under the age of 18. Adult supervision is required when this product is used in the presence of minors.

Instructions for Installation and Usage

- **Installation Steps:**

1. **Preparation:**

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools for installation (e.g., screwdriver, sight pusher).

2. **Remove Existing Sights:**

- Carefully remove the existing rear sight from the firearm using the appropriate tool.

3. Install the Rear Sight:

- Align the TFX Pro rear sight with the sight dovetail and press or tap it into place until secure.

4. Install the Front Sight:

- Remove the existing front sight, if applicable.
- Align the TFX Pro front sight with the mounting slot and secure it in place.

5. Final Check:

- Ensure both sights are securely installed and aligned properly for optimal accuracy.

• Usage Instructions:

- Use the sights in lowlight conditions to take advantage of the Tritium illumination.
- Regularly practice target acquisition to become familiar with the sighting system.
- Clean the sight set with a soft, dry cloth to maintain visibility and performance.

Disposal Instructions

- Dispose of the sight set in accordance with local regulations regarding the disposal of electronic and hazardous materials.
- If the sight set is damaged and the Tritium vial is exposed, do not handle it directly. Contact local authorities or hazardous waste disposal services for guidance.

Contact Information for Further Support

For any questions or concerns regarding the 1911 TFX Pro Sight Set by Truglo, please refer to the manufacturer's official website or customer support resources for assistance.

By following these guidelines, you can ensure the safe and effective use of your 1911 TFX Pro Sight Set. Always prioritize safety and responsibility when handling firearms and related accessories.
