

S&W M&P/SD9/SD40 TFX PRO SIGHT SET - TRUGLO S&W M&P/SD9/SD40 TFX PRO SIGHT SET

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

The TFX Pro Night Sights are constructed with duty or military use in mind. These sights feature both a Tritium vial for constant illumination, as well as fiber optic rods that amplify ambient light. Not only do these sights have both Tritium vials and fiber optics, but they are hermetically sealed in a redesigned TFX capsule, that provides superior protection against oils, chemicals and cleaning solvents. No more worrying about damaging your sights when cleaning! Front Sight features an orange outline, providing a contrast in colors and faster target acquisition. Rear sights features a U-notch design and angled front face for emergency slide racking. Sight bodies are CNC machined steel and have a Truglo "fortress" finish. TFX Pro Sights sets are Made in the USA, using Swiss Tritium.

S&W M&P/SD9/SD40 TFX PRO SIGHT SET Safety Instruction Guide

Introduction

Thank you for choosing the S&W M&P/SD9/SD40 TFX Pro Sight Set by TRUGLO. This guide provides essential safety instructions to ensure the safe use and maintenance of your product. It is important to understand the safety guidelines and precautions associated with this sight set to avoid potential hazards.

General Safety Guidelines

- Ensure that all users of the sight set are familiar with the safety features and instructions outlined in this guide.
- Always handle firearms responsibly and in accordance with local laws and regulations.
- Keep the sight set and all related equipment out of reach of children and unauthorized individuals.
- Regularly inspect the sight set for any signs of damage or wear. Do not use if damaged.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Do not attempt to modify or disassemble the sight set, as this may compromise its safety and functionality.
- Always ensure that the firearm is unloaded before installing or adjusting the sight set.
- Use only appropriate cleaning solvents and oils that are compatible with the sight materials to avoid damage.
- Avoid exposing the sight set to extreme temperatures or harsh environmental conditions, as this may affect performance.
- If you experience any difficulty with installation or functionality, cease use immediately and seek assistance.

Instructions for Installation and Usage

1. Installation Process:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Remove any existing sights according to the manufacturer's instructions.
- Align the TFX Pro Sight with the mounting dovetail on your firearm.
- Use a sight pusher or appropriate tool to install the sight securely without damaging it.
- Check alignment and ensure the sight is firmly in place.

2. Usage Instructions:

- Familiarize yourself with the sight's features, including the Tritium vial and fiber optic rods.
- Practice using the sight in a safe environment to become accustomed to its functionality.
- Regularly clean the sight with a soft cloth to maintain optimal visibility and performance.
- Monitor the sight for any signs of wear or damage, especially after extensive use.

Disposal Instructions

- Dispose of the sight set in accordance with local regulations for electronic waste and hazardous materials.
- Do not dispose of the sight set in regular household waste.
- Check with local authorities or waste disposal facilities for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or further support regarding the S&W M&P/SD9/SD40 TFX Pro Sight Set, please refer to the manufacturer's contact details provided with your purchase.

By following these guidelines, you can ensure safe and effective use of your S&W M&P/SD9/SD40 TFX Pro Sight Set. Thank you for prioritizing safety.
