Consumer Safety Instruction Guide for APX MAGAZINE .40 S&W

Introduction

Thank you for choosing the Beretta APX Magazine .40 S&W. This guide provides essential safety information and instructions for the safe use, installation, and disposal of your magazine. Please read this guide carefully to ensure proper handling and to minimize risks associated with the use of this product.

General Safety Guidelines

- Always treat the magazine as if it is loaded, even when it is not.
- Keep the magazine out of the reach of children and unauthorized users.
- Inspect the magazine for any damages or defects before use.
- Do not modify or alter the magazine in any way.
- Store the magazine in a secure location when not in use.
- Follow all local laws and regulations regarding the use and storage of firearms and ammunition.

Specific Safety Precautions for Use

- Ensure that the firearm is pointed in a safe direction at all times when handling the magazine.
- Use only .40 S&W ammunition compatible with your firearm.
- Do not overload the magazine beyond its specified capacity of 18 rounds.
- Avoid using the magazine if it shows signs of wear, corrosion, or malfunction.
- Always wear appropriate eye and ear protection when shooting.
- Be aware of your surroundings and ensure a safe shooting environment.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded before inserting the magazine.
- Align the magazine with the magazine well of the firearm.
- Push the magazine firmly into place until it clicks securely.

2. Loading the Magazine:

- Hold the magazine in one hand with the follower facing up.
- Insert the .40 S&W cartridges into the magazine one at a time, starting from the bottom.
- Press down on the follower with your thumb to create space for additional rounds.
- Ensure each round is seated properly and the magazine is not overloaded.

3. Removing the Magazine:

- Ensure the firearm is pointed in a safe direction.
- Press the magazine release button on the firearm.
- Gently pull the magazine out of the magazine well.

4. Using the Magazine:

- Insert the loaded magazine back into the firearm as per the installation instructions.
- Ensure the magazine is securely in place before attempting to fire the firearm.

Disposal Instructions

- Dispose of the magazine in accordance with local laws and regulations.
- If the magazine is damaged or no longer functional, do not attempt to repair it.
- Consult local waste management facilities for proper disposal methods for metal products.

Contact Information for Further Support

For any inquiries regarding safety or product information, please refer to your local Beretta dealer or authorized representative. Ensure you have the product details available for reference.

By following these guidelines, you can ensure your safety and the safety of others while using the Beretta APX Magazine .40 S&W. Thank you for your attention to these important safety instructions.
