# APX Magazine 9MM Safety Instruction Guide

## Introduction

Thank you for choosing the Beretta APX Magazine 9MM. This product is designed for safety and performance. Please read this guide carefully to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that the magazine is compatible with your firearm model before use.
- Always handle magazines and firearms with care to prevent accidental discharge.
- Keep magazines out of reach of children and unauthorized persons.
- Regularly inspect the magazine for any signs of wear or damage before use.
- Report any unsafe products or incidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Only use factoryauthorized Beretta APX magazines to ensure proper function.
- Do not attempt to modify or disassemble the magazine.
- Always ensure the firearm is unloaded before inserting or removing the magazine.
- Store magazines in a secure location, away from moisture and extreme temperatures.
- Avoid exposing the magazine to harsh chemicals or solvents that may damage it.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is pointed in a safe direction and is unloaded.
- Align the magazine with the magazine well of the firearm.
- Firmly push the magazine into the magazine well until it clicks into place.

### 2. Usage:

- Load the magazine with the appropriate 9mm ammunition.
- Ensure that the ammunition is seated properly within the magazine.
- Insert the loaded magazine into the firearm as described above.
- Always check the firearm's chamber to ensure it is clear before loading.

### 3. Removal:

- Press the magazine release button on your firearm.
- Gently pull the magazine out of the magazine well.
- Store the magazine in a safe location.

## Disposal Instructions

- Dispose of the magazine in accordance with local regulations.
- Do not dispose of magazines in regular household waste.
- Contact local waste management authorities for guidance on safe disposal methods.

## **Contact Information for Further Support**
