[Magazines](#) > [Rifle Magazines](#) > [Magazines](#)

This is a factory original replacement magazine for the Tikka T3 Compact Tactical Rifle. The detachable, 10-round box magazine is one of the features that adds to the versatility of the T3 compact tactical rifle, allowing for much faster reloads than are possible with the traditional, non-detachable, blind box mag usually found on bolt action rifles. Robust all-steel construction Matte black oxide finish Holds 10 rounds of .308 Winchester/6.5 Creedmoor/.260 Remington NOTE: does NOT fit Tikka TRG rifles The Tikka 10-round replacement magazine is guaranteed to fit, function reliably, and feed smoothly in your .308 Winchester T3 compact tactical rifle. The T3 is designed to land multiple shots, quickly and precisely on target, in urgent tactical situations. Its super-reliable magazine is one of the reasons why it fulfills that role so well.

# T3X TAC A1/CTR Magazine Safety Instruction Guide

## Introduction

Thank you for choosing the T3X TAC A1/CTR Magazine for your Tikka T3 Compact Tactical Rifle. This guide provides essential safety instructions and guidelines to ensure the safe use of your magazine. Please read this document carefully before using the product.

## General Safety Guidelines

- Ensure that you are familiar with the operation of your Tikka T3 Compact Tactical Rifle before using the magazine.
- Always handle firearms and ammunition with care. Treat every firearm as if it is loaded.
- Store the magazine and ammunition in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the magazine for any signs of wear or damage before use.
- Follow all local laws and regulations regarding firearms and ammunition.

## Specific Safety Precautions for Use

- Do not attempt to modify or alter the magazine in any way.
- Only use the magazine with compatible cartridges: .308 Winchester, 6.5 Creedmoor, and .260 Remington.
- Ensure that the magazine is properly seated in the rifle before attempting to fire.
- Avoid overloading the magazine. The maximum capacity is 10 rounds.
- If the magazine does not feed properly, stop using it immediately and inspect for obstructions or damage.
- In case of a malfunction, follow the firearm manufacturer's instructions for clearing jams or malfunctions.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the rifle is pointed in a safe direction and the safety is engaged.
- Remove any existing magazine from the rifle.
- Align the T3X TAC A1/CTR Magazine with the magazine well of the rifle.
- Push the magazine firmly into the well until it clicks into place.

### 2. Loading the Magazine:

- Hold the magazine with the open side facing up.
- Insert cartridges one at a time into the magazine, ensuring they are seated properly.
- Do not exceed the 10round capacity.

### 3. Using the Magazine:

- Once the magazine is loaded, insert it into the rifle as described above.
- Ensure that the magazine is locked in place before firing.
- Follow proper shooting practices and always be aware of your surroundings.

### 4. Unloading the Magazine:

- Engage the safety on the rifle.
- Remove the magazine from the rifle.

- Carefully unload any remaining cartridges from the magazine.

## **Disposal Instructions**

- Dispose of the magazine in accordance with local regulations regarding metal and hazardous waste.
- If the magazine is damaged or no longer functional, do not attempt to repair it. Dispose of it safely to prevent unauthorized use.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding your T3X TAC A1/CTR Magazine, please refer to the manufacturer's website or customer service resources for assistance.

## **Conclusion**

By following these safety instructions and guidelines, you can ensure the safe and effective use of your T3X TAC A1/CTR Magazine. Always prioritize safety when handling firearms and ammunition, and stay informed about best practices for responsible firearm ownership.
