# Safety Instruction Guide for SCREW, TRIGGER GUARD SCREW, SILVER PIGEON NICKEL, LONG

## Introduction

Thank you for purchasing the SCREW, TRIGGER GUARD SCREW, SILVER PIGEON NICKEL, LONG. This guide provides essential safety instructions to ensure proper use and maintenance of the product. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as specified.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage.
- In case of any damage or malfunction, discontinue use immediately and seek assistance.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear when handling tools and installing the screw.
- Avoid using excessive force when tightening the screw to prevent stripping.
- Ensure that the screw is compatible with your firearm model before installation.
- Do not modify the screw or use it in a manner not intended by the manufacturer.
- Keep your work area clean and free from distractions during installation.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary tools for installation, including a screwdriver appropriate for the screw head.
- Ensure that the firearm is unloaded and safe to handle.

### 2. Installation Steps

- Align the screw with the trigger guard assembly.
- Insert the screw into the designated hole.
- Using the screwdriver, tighten the screw until secure, but do not overtighten.

### 3. PostInstallation Check

- Verify that the screw is securely fastened and that there are no loose components.
- Perform a function check on the firearm to ensure proper operation.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste. Check for designated disposal sites for metal components.

## **Contact Information for Further Support**

For any questions or concerns regarding the product, please consult your local Beretta USA representative or authorized dealer. They can provide additional information and support as needed.

Thank you for choosing our product. Your safety and satisfaction are our top priorities.
