# Safety Instruction Guide for EXTRACTOR, COMPLETE, S491, M591, L691, L61R M90, 75/IV

## Introduction

Thank you for choosing the EXTRACTOR, COMPLETE, S491, M591, L691, L61R M90, 75/IV. This guide provides essential safety instructions and guidelines to ensure the safe use of this product. Please read this manual carefully before using the extractor.

## General Safety Guidelines

- Always follow the manufacturer's instructions for safe use.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the extractor for any signs of wear or damage before use.
- If you notice any defects, do not use the product and contact the manufacturer for support.
- Ensure that the extractor is used in a wellventilated area to prevent any buildup of harmful fumes.
- Do not modify the extractor in any way, as this may compromise its safety and effectiveness.

## Specific Safety Precautions for Use

- Use personal protective equipment (PPE) such as gloves and safety goggles when operating the extractor.
- Ensure that the work area is clean and free from any obstructions that could cause accidents.
- Never operate the extractor near flammable materials or in environments with explosive hazards.
- Be aware of your surroundings and do not engage in distractions while using the product.
- Follow all local regulations and guidelines regarding the use and disposal of the extractor.

## Instructions for Installation and Usage

### 1. Installation

- Unpack the extractor carefully, ensuring all components are present.
- Place the extractor on a stable and level surface to prevent tipping.
- Connect any necessary attachments as per the manufacturer's instructions.
- Ensure all connections are secure before operating the extractor.

### 2. Usage

- Before using the extractor, ensure that it is properly assembled and all safety features are functional.
- Turn on the extractor according to the manufacturer's instructions.
- Monitor the extractor during operation for any unusual noises or malfunctions.
- If the extractor overheats or shows signs of malfunction, turn it off immediately and allow it to cool down.

## Disposal Instructions

- Dispose of the extractor in accordance with local waste management regulations.
- Do not dispose of the extractor in regular household waste.
- Consider recycling options if available in your area.
- Remove any batteries or hazardous materials before disposal, if applicable.

## **Contact Information for Further Support**

For any questions regarding the safety or operation of the EXTRACTOR, COMPLETE, S491, M591, L691, L61R M90, 75/IV, please refer to the manufacturer's contact information provided with the product packaging.

Thank you for your attention to these safety instructions. By following these guidelines, you can help ensure a safe and effective experience with your extractor.
