Safety Instruction Guide for STOP, TURN LIMITING, L461, L57, S491, M591, L61R, L691

Introduction

Thank you for choosing the STOP, TURN LIMITING product series by SAKO. This guide provides essential safety instructions to ensure safe and effective use of your product. Please read this guide carefully before installation and usage to prevent accidents and injuries.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always follow the manufacturer's instructions for installation and operation.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage.
- If you notice any defects or irregularities, cease use immediately and contact support.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Do not exceed the specified limits of the product as indicated in the technical specifications.
- Avoid using the product in wet or damp conditions unless specifically designed for such environments.
- Ensure that all connections are secure before use to prevent accidental disconnections.
- Use appropriate personal protective equipment (PPE) when handling or operating the product.
- Be aware of your surroundings and ensure that the area is clear of obstacles before use.
- Do not modify or tamper with the product in any way, as this may compromise safety.

Instructions for Installation and Usage

1. Installation:

- Read all instructions carefully before beginning installation.
- Ensure you have all tools and components required for installation.
- Follow the stepbystep installation guide provided with the product.
- Check that all components are correctly installed and securely fastened.
- Test the product in a safe environment before regular use.

2. Usage:

- Use the product only as described in the user manual.
- Monitor the product's performance regularly during use.
- If the product malfunctions, stop using it immediately and consult the troubleshooting section of the manual.
- Do not use the product for any purpose other than what it was designed for.

Disposal Instructions

- Dispose of the product in accordance with local regulations and environmental guidelines.
- Do not dispose of the product in household waste.
- If applicable, separate components for recycling where possible.
- Contact your local waste management authority for information on proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding safety or product performance, please refer to the manufacturer's customer support resources or your point of purchase.
