[Shotgun Parts](#) > [Choke Tubes & Accessories](#) > [Choke Tubes](#)

FITS: A400 Lite, 12; A400 Xcel Multi-Target, 12; DT11, 12

Beretta Optima-Choke® HP tubes stand up to the heat of competition. Manufactured from high strength steel and finished in a nickel-alloy coating, these chokes guarantee significant corrosion resistance and have the ability to withstand the rigors of steel shot. Optima-Choke® HP tubes are fully interchangeable on all Beretta barrels that are threaded for Optima-Choke® HP. No steel shot tighter than MOD.

CHOKETUBE OPTIMA HP F 78 Safety Instruction Guide

Introduction

Thank you for choosing the CHOKETUBE OPTIMA HP F 78. This guide provides essential safety instructions and information to ensure the safe use of your choke tube. Please read this guide carefully before using the product.

General Safety Guidelines

- **Product Safety:** This product is designed to ensure safe use during shooting activities. Always follow safety guidelines to prevent accidents.
- **Enhanced Recalls:** Stay informed about any recalls. If a product is found to be dangerous, you will be notified, and remedies will be provided.
- **Online Shopping:** If purchased online, ensure that the seller complies with safety regulations similar to those of physical stores.
- **Special Consumer Focus:** Extra care should be taken when this product is used around vulnerable groups, particularly children. Ensure that children do not have access to the choke tube.
- **EU Contact Point:** For any safety inquiries, ensure you have access to a local EU contact point.
- **Rapid Alerts:** Regularly check the EU's Safety Gate platform for updates on product safety.

Specific Safety Precautions for Use

- **Compatibility:** Only use Optima HP choke tubes in compatible shotguns, including SV10 Perennia, SV10 Prevail, A400 Xplor, and UGB25 Sporting.
- **Steel Shot:** Do not use steel shot tighter than MOD in this choke tube to prevent damage and ensure safety.
- **Inspection:** Regularly inspect the choke tube for signs of wear or damage before each use. Do not use if damaged.
- **Installation:** Ensure proper installation of the choke tube according to the instructions to prevent accidents.
- **Handling:** Always handle the choke tube with care, and avoid touching the muzzle when it is attached to the shotgun.

Instructions for Installation and Usage

1. Installation:

- Ensure the shotgun is unloaded before installing the choke tube.
- Using the appropriate wrench, remove the existing choke tube if applicable.
- Clean the threads of the choke tube and the barrel to remove any debris.
- Carefully screw the CHOKETUBE OPTIMA HP F 78 into the barrel's threads until it is secure. Do not overtighten.
- Check that the choke tube is properly seated and locked in place.

2. Usage:

- Before firing, doublecheck that the choke tube is securely installed.
- Follow all safety protocols while shooting, including wearing appropriate eye and ear protection.
- Use only the recommended ammunition for your shotgun and choke tube combination.
- After use, clean the choke tube and the shotgun to prevent corrosion and ensure longevity.

Disposal Instructions

- Dispose of the product in accordance with local regulations for metal waste.
- Do not dispose of the choke tube in regular household waste. Check with local authorities for proper disposal methods.

Contact Information for Further Support

For any questions, concerns, or safety inquiries regarding the CHOKETUBE OPTIMA HP F 78, please refer to the contact information provided by your retailer or manufacturer. Always ensure that you are reaching out to an authorized EUbased support service for assistance.

Thank you for your attention to these safety instructions, and enjoy your shooting experience with the CHOKETUBE OPTIMA HP F 78.
