# Safety Instruction Guide for BERETTA A400 XTREME 12 GAUGE FOREND REALTREE MAX5

## Introduction

Thank you for choosing the BERETTA A400 XTREME 12 GAUGE FOREND REALTREE MAX5. This guide provides essential safety information to ensure the safe use of your product. Please read and understand all instructions and guidelines before using the forend.

## General Safety Guidelines

- Always handle the forend with care and ensure it is not loaded when not in use.
- Keep the product out of reach of children and vulnerable individuals.
- Ensure that you are familiar with all local laws and regulations regarding firearm use and ownership.
- Regularly inspect the forend for any signs of damage or wear before use.
- Store the forend in a secure location when not in use.

## Specific Safety Precautions for Use

- Do not use the forend with any ammunition other than that specified for the BERETTA A400 XTREME model.
- Ensure that the forend is properly attached to the firearm before use.
- Avoid using the forend in wet or humid conditions to prevent damage to the synthetic material.
- Do not modify or alter the forend in any way, as this may compromise safety and performance.
- Always wear appropriate personal protective equipment, such as eye and ear protection, when using firearms.

## Instructions for Installation and Usage

### 1. Installation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Align the forend with the mounting points on the firearm.
- Firmly attach the forend, ensuring it is secured in place.
- Check that the forend is properly installed by gently pulling on it to confirm stability.

### 2. Usage

- Always check that the firearm is unloaded before handling.
- When ready to use, load the firearm according to the manufacturer's instructions.
- Maintain a proper shooting stance and grip on the firearm.
- After use, clean the forend with a damp cloth and ensure it is free of debris.

## Disposal Instructions

- Dispose of the forend in accordance with local regulations regarding plastic and synthetic materials.
- Do not incinerate the forend as it may release harmful substances.
