Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye and ear protection, when using firearms.
- Do not modify the product in any way that could compromise its safety or performance.
- Ensure that the firearm is unloaded before attaching or detaching the forend assembly.
- Be aware of your surroundings and ensure that you have a clear and safe shooting area.
- If you are unfamiliar with firearm operation, seek guidance from a qualified instructor or expert.

Instructions for Installation and Usage

Installation Instructions

1. **Unloading the Firearm:** Ensure the firearm is completely unloaded. Check the chamber and magazine to confirm.
2. **Removing the Old Forend:**
 - Locate the release mechanism for the existing forend.
 - Carefully detach the old forend by following the manufacturer's instructions.
3. **Attaching the New Forend:**
 - Align the new synthetic forend with the firearm's receiver.
 - Securely attach the forend by engaging the release mechanism until it clicks into place.
 - Doublecheck the attachment to ensure it is secure.
4. **Final Inspection:** Inspect the installation to ensure there are no gaps or misalignments.

Usage Instructions

- Always ensure the firearm is pointed in a safe direction when using.
- Familiarize yourself with the operation of the firearm after installing the new forend.
- Perform regular maintenance checks to ensure the forend remains securely attached.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding plastic and synthetic materials.
- Do not dispose of the product in regular household waste. Look for designated recycling or hazardous waste disposal sites.
- If the product is damaged beyond use, ensure it is rendered unusable before disposal.
