# Safety Instruction Guide for BERETTA A400 LITE COMPACT 20 GAUGE SYNTHETIC STOCK

## Introduction

Thank you for choosing the BERETTA A400 LITE COMPACT 20 GAUGE SYNTHETIC STOCK. This guide provides essential safety instructions to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully to understand the safety measures, proper usage, and maintenance of your product.

## General Safety Guidelines

- Always handle your firearm responsibly and in accordance with local laws and regulations.
- Ensure that the product is suitable for your intended use and that you understand its features.
- Store the firearm securely and out of reach of children and unauthorized users.
- Regularly check for any signs of wear or damage before use.
- Be aware of your surroundings and ensure a safe environment when using your firearm.
- Report any unsafe products or incidents to the relevant authorities.

## Specific Safety Precautions for Use

- Only use ammunition that is compatible with the 20 gauge specification.
- Always keep the firearm pointed in a safe direction, even when not in use.
- Do not rely solely on the safety mechanism; always treat the firearm as if it is loaded.
- Wear appropriate eye and ear protection when using the firearm.
- Ensure that the firearm is unloaded when not in use, during cleaning, and when being transported.
- Never modify the firearm or its components; any alterations can lead to unsafe conditions.

## Instructions for Installation and Usage

### Installation

- Ensure that you are in a safe and suitable environment for installation.
- Follow these steps to install the synthetic stock:
  1. Ensure the firearm is unloaded.
  2. Remove the existing stock by unscrewing it from the receiver.
  3. Align the new synthetic stock with the receiver.
  4. Securely attach the new stock using the appropriate screws.
  5. Verify that the stock is firmly in place and check for any movement.

### Usage

- Before using the firearm, ensure that you are familiar with its operation.
- Follow these steps for safe usage:
  1. Load the firearm only when you are ready to shoot.
  2. Maintain a firm grip on the firearm and ensure your stance is stable.
  3. Aim at your target and ensure that the area is clear of obstructions and bystanders.
  4. Squeeze the trigger gently to fire.
  5. After firing, remain aware of your surroundings and monitor the condition of the firearm.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.

- If the product is damaged or no longer functional, do not attempt to repair it.
- Contact local waste management authorities for guidance on the proper disposal of firearm components.

## **Contact Information for Further Support**

For any inquiries regarding safety or product issues, please refer to the contact information provided by the manufacturer or your local distributor.
