Safety Instruction Guide for BERETTA DIAMOND PIGEON 28 GAUGE FOREND IRON REAR SCREW

Introduction

Thank you for choosing the BERETTA DIAMOND PIGEON 28 GAUGE FOREND IRON REAR SCREW. This guide provides important safety instructions to ensure the safe handling, installation, and use of this product. Please read this guide carefully to understand how to use the product safely and effectively.

General Safety Guidelines

- Always handle the product with care to avoid injury.
- Ensure you are in a safe environment when using or installing the product.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly check the product for any signs of damage or wear.
- If you notice any defects, do not use the product and contact a qualified professional.
- Follow all local laws and regulations regarding the use of firearms and related components.

Specific Safety Precautions for Use

- Ensure the firearm is unloaded before installing or adjusting the forend iron rear screw.
- Use the appropriate tools for installation to avoid damaging the product or the firearm.
- Do not force the installation; if it does not fit properly, consult the manufacturer's guidelines or a qualified gunsmith.
- Wear safety glasses to protect your eyes from any debris during installation.
- Keep fingers away from the trigger and ensure the firearm is pointed in a safe direction at all times.
- Do not modify the product in any way that could compromise its safety or functionality.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is completely unloaded.
- Gather all necessary tools for installation, including a screwdriver that fits the screw head.

2. Installation Steps:

- Locate the forend of the firearm where the forend iron rear screw will be installed.
- Align the forend iron with the mounting holes on the firearm.
- Insert the screw into the designated hole and tighten it gently, ensuring it is secure but not overtightened.
- Check that the forend is properly secured and does not move when pulled.

3. Usage:

- Once installed, regularly check the tightness of the forend iron rear screw before each use.
- Always ensure the firearm is in a safe condition before handling or transporting it.

Disposal Instructions

- Dispose of the product responsibly in accordance with local regulations.
- Do not dispose of the product in household waste.
- Contact your local waste management authority for information on proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the BERETTA DIAMOND PIGEON 28 GAUGE FOREND IRON REAR SCREW, please refer to the official BERETTA USA website or contact the customer service department for assistance.

By following these safety instructions, you can help ensure a safe and responsible experience with your BERETTA DIAMOND PIGEON 28 GAUGE FOREND IRON REAR SCREW. Thank you for your attention to safety.
