# Safety Instruction Guide for BERETTA A300 OUTLANDER STOCK WITH REALTREE XTRA GREEN

## Introduction

Thank you for choosing the BERETTA A300 OUTLANDER STOCK WITH REALTREE XTRA GREEN. This guide provides essential safety instructions to ensure the safe use and maintenance of your product in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before using the product.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in this manual.
- Always follow local laws and regulations regarding the use of firearms and related accessories.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of damage or wear and replace it if necessary.
- Report any unsafe product experiences or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear when handling firearms, including eye and ear protection.
- Ensure that the firearm is unloaded before installing or adjusting the stock.
- Check that the stock is securely attached to the firearm before use.
- Do not modify the stock or use it in any way that is not recommended by the manufacturer.
- Avoid exposure to extreme temperatures or moisture, as this may affect the integrity of the stock.

## Instructions for Installation and Usage

### 1. Installation

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Remove the existing stock from the firearm by following the manufacturer's instructions.
- Align the BERETTA A300 OUTLANDER STOCK with the firearm's receiver.
- Securely fasten the stock to the receiver using the provided screws or mechanisms.
- Check the stability of the installation by gently pulling on the stock.

### 2. Usage

- Always handle the firearm with care and assume it is loaded.
- Familiarize yourself with the operation of the firearm and the stock before use.
- Practice safe shooting habits, including proper stance and aiming techniques.
- After use, clean and maintain the stock according to the manufacturer's recommendations.

## Disposal Instructions

- Dispose of the product in accordance with local waste disposal regulations.
- Do not dispose of the product in general household waste.
- If the product is no longer usable, consider recycling components where possible.

## Contact Information for Further Support
