

MAGAZINE TUBE/CAP PLIERS - APEX TOOL GROUP MAG TUBE/CAP PLIERS

[Gunsmith Tools](#) > [Shotgun Tools](#) > [Shotgun Specialty Tools](#)

Padded Jaws End Servicing Damage

Puts an end to gouged, scratched and ruined magazine tubes and caps. These slip-joint pliers adjust to fit them all and the curved, cushioned jaws grip tight without marring. Extra long for good turning leverage. Pads are replaceable.

MAGAZINE TUBE/CAP PLIERS SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the MAGAZINE TUBE/CAP PLIERS by APEX TOOL GROUP. This guide provides essential safety instructions and usage guidelines to ensure a safe and effective experience with your tool. Please read this document carefully before using the product.

General Safety Guidelines

- Always read and follow the instructions provided in this guide.
- Ensure that the pliers are used only for their intended purpose, which is to grip and turn magazine tubes and caps.
- Keep the pliers out of reach of children and vulnerable individuals to prevent accidental injury.
- Regularly inspect the pliers for any signs of damage or wear before use. Do not use if damaged.
- Store the pliers in a dry place to prevent rust and deterioration.
- Use proper personal protective equipment (PPE) such as gloves and safety glasses when using the pliers.

Specific Safety Precautions for Use

- Check that the pliers are properly adjusted before use to ensure a secure grip.
- Do not exceed the maximum adjustment range of 2½ inches (6.3 cm) to avoid damaging the tool or the object being gripped.
- Avoid applying excessive force that may lead to slipping or loss of control.
- Ensure your hands are dry and free from grease or oil to maintain a firm grip on the pliers.
- Do not use the pliers in wet or slippery conditions.
- If the pliers become stuck, do not force them; instead, gently adjust and release to avoid injury.

Instructions for Installation and Usage

1. Adjusting the Pliers:

- Open the pliers fully.
- Locate the slipjoint mechanism.
- Adjust the pliers to fit the size of the magazine tube or cap you are working with.
- Ensure the jaws are securely gripping the object before proceeding.

2. Using the Pliers:

- Position the pliers around the magazine tube or cap.
- Squeeze the handles to apply pressure and grip the object firmly.
- Turn the handles to rotate or remove the magazine tube or cap as needed.
- Always maintain control of the pliers during use to prevent accidents.

3. Cleaning and Maintenance:

- After use, clean the pliers with a dry cloth to remove any debris or moisture.
- Check for any signs of wear and replace pads if necessary.
- Store the pliers in a protective case or designated area to avoid damage.

Disposal Instructions

- When the MAGAZINE TUBE/CAP PLIERS reach the end of their life cycle, dispose of them in accordance with local regulations.
- Do not dispose of the pliers in regular household waste. Instead, consider recycling options for metal materials.

Contact Information for Further Support

For any inquiries or safety concerns regarding the MAGAZINE TUBE/CAP PLIERS, please refer to the manufacturer's contact information provided on the packaging or product documentation.

By following these guidelines, you can ensure a safe and effective experience with your MAGAZINE TUBE/CAP PLIERS. Thank you for your attention to safety and proper usage.
