Safety Instruction Guide for MAGAZINE TUBE/CAP PLIERS APEX TOOL GROUP

Introduction

Thank you for choosing the MAGAZINE TUBE/CAP PLIERS from APEX TOOL GROUP. This product is designed to help you safely and effectively handle magazine tubes and caps without causing damage. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the pliers out of reach of children and vulnerable individuals.
- Regularly check the pliers for signs of wear or damage before each use.
- Always use the pliers in a welllit area to avoid accidents.
- Store the pliers in a dry place to prevent rust and deterioration.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always wear safety goggles to protect your eyes from potential debris.
- Use the pliers with both hands for better control and stability.
- Do not exceed the maximum adjustment capacity of 2½ inches (6.3 cm).
- Avoid using the pliers on hot or hazardous materials.
- Ensure the magazine tube or cap is securely positioned before applying pressure.
- Do not use the pliers if they are damaged or malfunctioning.
- Avoid using excessive force, as this may cause the pliers to slip or break.

Instructions for Installation and Usage

1. Preparation

- Inspect the pliers for any visible damage or wear.
- Ensure that the pliers are clean and free from any obstructions.

2. Adjusting the Pliers

- Hold the pliers in one hand and use the slipjoint mechanism to adjust the jaws to the appropriate size for the magazine tube or cap.
- Ensure the jaws are properly aligned and securely locked in place.

3. Using the Pliers

- Position the pliers around the magazine tube or cap.
- Apply gentle pressure to grip the item securely without marring the surface.
- Use your other hand to stabilize the magazine tube or cap if necessary.
- Turn or manipulate the item as needed, using the extra length of the pliers for leverage.

4. After Use

- Carefully release the grip on the magazine tube or cap.
- Clean the pliers with a dry cloth to remove any debris or residue.

- Store the pliers in a safe location, away from moisture and direct sunlight.

Disposal Instructions

- Dispose of the product responsibly in accordance with local regulations.
- If the pliers are no longer usable, consider recycling the metal parts where facilities are available.
- Do not dispose of the pliers in household waste if they contain hazardous materials.

Contact Information for Further Support

For any safety inquiries or additional support regarding the MAGAZINE TUBE/CAP PLIERS, please refer to the EUbased contact provided with your product packaging.

Thank you for following these safety instructions to ensure a safe and effective experience with your MAGAZINE TUBE/CAP PLIERS.
