

# AR-15 QUICK RELEASE SLING SWIVELS - KNS PRECISION PARKERIZED REAR SWIVEL STUD

[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Sling Swivel Studs](#)

## Tough, Parkerized Finish, Greater Sling Attachment Options

Parkerized finish provides correct appearance; QD swivel studs have cross drilled mounting holes for vertical or side carry. Front swivel stud attaches to free float or A-2-style detachable handguards. Requires drilling a single mounting hole in free float tubes. Rear QD sling stud replaces fixed military-type without modification to stock. Uncle Mike's Quick Detachable Sling Swivels have a parkerized finish, accept 1-1/4" slings.

# Safety Instruction Guide for AR15 Quick Release Sling Swivels

## Introduction

Thank you for purchasing the AR15 Quick Release Sling Swivels by KNS Precision. This guide provides essential safety information and instructions to ensure the safe use and installation of your product. Please read this guide thoroughly before use.

## General Safety Guidelines

- Ensure the product is used only for its intended purpose as a sling swivel for rifles.
- Always inspect the sling swivels before each use for any signs of wear or damage.
- Keep the product out of reach of children and vulnerable individuals.
- Use appropriate safety equipment when handling firearms.
- Report any unsafe product experiences to local authorities.

## Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before attaching or detaching the sling swivels.
- Do not exceed the weight limit of 11/4" slings, as it may cause failure of the sling swivel.
- Avoid using the sling swivels in extreme weather conditions that may affect their performance.
- Do not modify the sling swivels in any way, as this may compromise their safety and functionality.
- Be aware of your surroundings when using firearms equipped with sling swivels to avoid accidents.

## Instructions for Installation and Usage

### Installation

1. **Preparation:** Ensure you have the necessary tools for installation, including a drill for creating mounting holes.
2. **Front Swivel Stud:**
  - Locate the desired position on the free float or A2 style detachable handguards.
  - Drill a single mounting hole as required.
  - Attach the front swivel stud securely.
3. **Rear Swivel Stud:**
  - Remove the existing fixed militarytype swivel if applicable.
  - Replace it with the rear QD sling stud without modifying the stock.
  - Ensure it is securely fastened.

### Usage

- Attach your 11/4" sling to the swivel studs, ensuring it is properly secured before use.
- Regularly check the attachment points for any signs of loosening or damage during use.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste if it contains hazardous materials.
- Consider recycling the metal components if applicable.

## **Contact Information for Further Support**

For any inquiries or further support regarding safety information or product issues, please refer to the manufacturer's contact information provided with the product packaging.

Thank you for prioritizing safety and compliance with the EU General Product Safety Regulation. Enjoy your AR15 Quick Release Sling Swivels responsibly.
