

# AK ADJUSTABLE GAS PISTON - KNS PRECISION ADJUSTABLE GAS PISTON SYSTEM M92

[Rifle Parts](#) > [Gas System Parts](#) > [Gas Pistons](#)

## Control Your Overgassed AK-style Rifle

The AK platform, though renowned for its reliability and durability in battlefield conditions, has a well-known flaw: its gas system is hugely overgassed.

Luckily, the market stepped up to provide a solution in the form of the KNS Precision AK Adjustable Gas Piston. How do you know if your AK-style rifle needs better gas regulation? Head to the range, fire a few rounds and see how far your brass ejects. If it's hitting the ground more than 15 feet away, then you need the KNS Precision AK Adjustable Gas Piston. This setup helps to reduce wear on the gun, providing for a longer operating life. Uses existing gas block Small-caliber piston designed for .223 Rem., 5.56 NATO and 5.45x39mm Large-caliber piston designed for 7.62x39mm, .308 Win., and 7.62x54R. Fits AKM, AK-74, VEPR, PSL and M92 rifles. Each KNS Precision AK Adjustable Gas Piston can be installed without the use of a gunsmith in the space of 10 minutes, ensuring you can get back onto the range with little downtime.

\* Vepr and Saiga Pistons will require drilling through the op-rod after screwing the piston into the carrier, due to variations in the staking location. These Op-Rods are Phosphated instead of Nitrided to allow easy drilling.\*

## Attributes

- Name: [KNS PRECISION ADJUSTABLE GAS PISTON SYSTEM M92](#)
- Manufacturer: [KNS PRECISION](#)
- Product no.: 923000065
- Mfr. No.: AGP-A-4
- Model Number: -
- Weapon type: AK-47
- Delivery weight: 0.132kg
- Shipping height: 25mm
- Shipping width: 102mm
- Shipping length: 279mm
- UPC: 853906008218

## Item details

Made in USA

US export classification: 0A501.c

# AK Adjustable Gas Piston Safety Instructions

## Introduction

Thank you for choosing the KNS Precision AK Adjustable Gas Piston for your AKstyle rifle. This product is designed to enhance the performance of your firearm by providing better gas regulation, which can lead to improved reliability and longevity. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Always treat your firearm as if it is loaded, even if you believe it is not.
- Keep your firearm pointed in a safe direction at all times.
- Store your firearm and ammunition in a secure place, out of the reach of children and unauthorized users.
- Use eye and ear protection when firing your rifle.
- Familiarize yourself with your firearm's operation and safety features before use.
- Follow all local laws and regulations regarding firearms and their accessories.

## Specific Safety Precautions for Use

- Ensure that your rifle is unloaded before installing the KNS Precision AK Adjustable Gas Piston.
- Do not attempt to modify or alter the gas piston in any way.
- Always wear protective gloves when handling any firearm components to avoid injury.
- Be cautious of hot surfaces; the gas piston may become hot during operation.
- Regularly inspect the gas piston for wear and tear, and replace it if any damage is observed.
- If you experience any malfunctions or unusual behavior from your firearm, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure your rifle is unloaded.
- Gather necessary tools: a wrench and a cleaning cloth.

### 2. Installation Steps

- Remove the existing gas piston from your rifle.
- Clean the gas block area to remove any debris or carbon buildup.
- Align the KNS Precision AK Adjustable Gas Piston with the gas block.
- Securely fasten the piston in place using the appropriate wrench.
- Ensure that the piston is properly adjusted for your specific ammunition type.

### 3. Usage

- After installation, test the rifle at the range.
- Fire a few rounds and observe the ejection pattern of the brass.
- Adjust the gas piston settings as needed to optimize performance.

### 4. PostUse Care

- Clean your rifle and the gas piston after each use to maintain optimal performance.
- Store the gas piston in a dry place when not in use.

## Disposal Instructions

- Dispose of the KNS Precision AK Adjustable Gas Piston in accordance with local regulations for electronic and firearm components.
- Do not dispose of in regular household waste.
- Contact your local waste management authority for proper disposal methods.

## Contact Information for Further Support

For any inquiries regarding the KNS Precision AK Adjustable Gas Piston, please refer to the product packaging for contact details and support resources. Always ensure that you have a reliable source for information regarding the safe use of your firearm and its accessories.

Thank you for prioritizing safety and performance with your AKstyle rifle. Enjoy your enhanced shooting experience!
