# RUGER® DOUBLE ACTION REVOLVERS SHOP MANUAL SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the RUGER® Double Action Revolvers Shop Manual. This guide provides essential safety instructions and precautions to ensure the safe and effective use of the manual when working with RUGER Double Action Revolvers, specifically the Speed, Security, and Service Six Series. Please read this guide carefully before use.

## General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Ensure that you have a safe and secure workspace when performing any work on firearms.
- Keep all tools and parts organized to avoid losing small components.
- Always wear appropriate safety gear, including eye protection, when working with firearms.
- Ensure that all firearms are stored securely and out of reach of children and unauthorized users.
- Be aware of your surroundings and ensure that all safety protocols are followed when handling firearms.
- Regularly check for updates on product recalls and safety notices.

## Specific Safety Precautions for Use

- Do not attempt to disassemble or repair any firearm without proper knowledge and training.
- Always ensure the firearm is unloaded before beginning any work.
- Follow the Trouble Shooting Guide carefully to avoid damaging the firearm or injuring yourself.
- Use only recommended tools as specified in the manual.
- Be cautious of sharp edges and small parts that may pose a risk of injury.
- If you are unsure about any procedure, seek assistance from a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and parts before starting any work.
- Ensure you have a clean, well-lit workspace.

### 2. Disassembly:

- Refer to Section I of the manual for detailed disassembly instructions.
- Follow each step carefully and do not rush the process.

### 3. Basic Checks:

- Perform basic checks as outlined in the manual to ensure all components are functioning properly.

### 4. Parts Identification:

- Familiarize yourself with parts diagrams provided in the manual to correctly identify components.

### 5. Interior Servicing:

- Follow the interior servicing guidelines in the manual to maintain the firearm's functionality.

### 6. Reassembly:

- Carefully reassemble the firearm following the disassembly steps in reverse order.
- Ensure all parts are securely in place before testing the firearm.

#### **7. Testing:**

- After reassembly, conduct a series of safety checks before using the firearm.

## **Disposal Instructions**

- Dispose of any unused parts or materials in accordance with local regulations.
- Ensure that all firearms are disposed of safely and securely if they are no longer in use.

## **Contact Information for Further Support**

For any inquiries regarding safety or product information, please consult your local firearms authority or a qualified gunsmith.

Please remember that safety is paramount when handling firearms. Follow these guidelines closely to ensure a safe and effective experience with your RUGER Double Action Revolvers.
