

GUNSMITH TOTALLY NON-MARRING NYLON BENCH BLOCK - BROWNELLS NON-MARRING BENCH BLOCK, NYLON

[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Bench Blocks](#)

Made To Our Own Specs To Fill Every Bench Need

For those times when any blemish on the gun would spell disaster, this non-marring, solid cast, nylon bench block is a real life saver. Similar in design to the steel precision machnist's block, but non-marring nylon. Has "V" in center for round or flat pieces. Light weight makes ideal for your range kit, too.

GUNSMITH Totally NonMarring Nylon Bench Block Safety Instruction Guide

Introduction

Thank you for choosing the GUNSMITH Totally NonMarring Nylon Bench Block by BROWNELLS. This guide provides essential safety instructions to ensure the safe use of this product. Please read the entire guide carefully before use to avoid any potential hazards.

General Safety Guidelines

- Always use the bench block in a wellventilated area.
- Keep the bench block out of reach of children and pets.
- Inspect the bench block for any signs of damage before each use.
- Do not use the bench block for any purpose other than its intended use.
- Follow all manufacturer instructions and guidelines for safe operation.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the surface you are working on is stable and secure.
- When using tools on the bench block, wear appropriate personal protective equipment (PPE), such as safety goggles and gloves.
- Avoid applying excessive force when using tools on the bench block to prevent slipping or damage.
- Do not place heavy objects on the bench block that exceed its weight capacity.
- Avoid exposure to extreme temperatures or direct sunlight for extended periods, as this may affect the material's integrity.

Instructions for Installation and Usage

1. Preparation

- Choose a clean and dry workspace.
- Ensure that the bench block is placed on a flat, stable surface.

2. Using the Bench Block

- Place the item you are working on in the "V" groove for stability.
- If using tools, ensure they are compatible with the bench block and are in good working condition.
- Apply gentle pressure when working to avoid damaging the bench block or the item being worked on.

3. PostUse Care

- Clean the bench block with a damp cloth after use to remove any debris.
- Store the bench block in a safe, dry location when not in use.

Disposal Instructions

- Dispose of the bench block in accordance with local waste disposal regulations.
- Do not incinerate the product as it may release harmful substances.
- If the product is damaged beyond repair, consider recycling the material if possible.

Contact Information for Further Support

For safety inquiries, please refer to the product packaging or visit the manufacturer's website for more information. Ensure you have the product details on hand for a more efficient response.

Thank you for your attention to these safety guidelines. Enjoy using your GUNSMITH Totally NonMarring Nylon Bench Block safely and effectively.
