

RUGER® 10/22® TRIGGER GUARD 2000 - VOLQUARTSEN FITS .22 LONG RIFLE, SILVER

[Rifle Parts](#) > [Triggers Parts](#) > [Triggers](#)

Machined Billet Housing Drops In For Precise, Consistent Trigger Pull

Completely new, CNC machined trigger housing with precision EDM trigger parts all pre-fitted and ready to drop-in, for a crisp, clean trigger pull. Hardened EDM sear and disconnecter have tolerances held to +/- .0002". Hardened stainless steel hammer has notches surface ground to achieve the correct engagement angles, provides long-wearing performance. Reduced power hammer and sear springs lighten pull. Trigger includes overtravel adjustment. Hardened, polished trigger plunger is repositioned to depress directly to the rear as trigger is pulled; plunger spring is redesigned for better response. Oversized hammer, sear and action pins remove wobble that ruins a great action job. Includes auto bolt release and extended magazine release.

Attributes

- Name: [VOLQUARTSEN FITS .22 LONG RIFLE, SILVER](#)
- Manufacturer: [VOLQUARTSEN](#)
- Product no.: 930000003

RUGER® 10/22® TRIGGER GUARD Safety Instructions

Introduction

Thank you for choosing the RUGER® 10/22® TRIGGER GUARD manufactured by VOLQUARTSEN. This product is designed to enhance your shooting experience while ensuring safety and reliability. Please read this guide carefully to understand how to use, install, and dispose of the product safely.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Store the firearm and trigger guard securely, out of reach of children and unauthorized users.
- Regularly inspect your trigger guard and firearm for any signs of wear or damage before use.
- Follow all local laws and regulations regarding firearm use and safety.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before installing or adjusting the trigger guard.
- Do not attempt to modify the trigger guard or any of its components.
- Use only compatible parts and accessories as specified by the manufacturer.
- Be aware of the reduced power hammer and sear springs, as they may affect the trigger pull weight.
- Always wear appropriate eye and ear protection when using firearms.
- Keep hands and other body parts clear of the trigger area when the firearm is being operated.

Instructions for Installation and Usage

Installation

1. **Preparation:** Ensure that the firearm is unloaded and pointed in a safe direction.
2. **Remove the Old Trigger Guard:** If applicable, carefully remove the existing trigger guard according to the manufacturer's instructions.
3. **Install the New Trigger Guard:**
 - Align the new RUGER® 10/22® TRIGGER GUARD with the mounting holes.
 - Securely fasten the trigger guard using the provided pins and screws.
 - Ensure that all components are properly seated and tightened to prevent movement.
4. **Check Functionality:** After installation, check the trigger pull and ensure that the trigger operates smoothly without obstruction.

Usage

- To operate the trigger, pull it straight back. The trigger includes an overtravel adjustment for a crisp, clean trigger pull.
- Monitor the performance of the trigger guard during use. If any unusual behavior is observed, cease use immediately and inspect the product.
- For optimal performance, keep the trigger guard clean and free of debris.

Disposal Instructions

- Dispose of the trigger guard in accordance with local regulations regarding electronic and metal waste.

- If the trigger guard is damaged or no longer functional, do not attempt to repair it. Instead, dispose of it responsibly.
- Consider recycling materials when possible to minimize environmental impact.

Contact Information for Further Support

For any inquiries regarding safety or product performance, please consult your local dealer or the manufacturer's website for guidance.
