# Safety Instruction Guide for 10/22® Socket Head Takedown Screw

## Introduction

Thank you for choosing the 10/22® Socket Head Takedown Screw by Volquartsen. This product is designed to enhance the performance and appearance of your Ruger 10/22® firearm. Please read this safety instruction guide carefully to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- This product is intended for use with the Ruger 10/22® and 10/22 Magnum firearms only.
- Always ensure that the firearm is unloaded before beginning any installation or maintenance.
- Keep this product out of reach of children and unauthorized users.
- Regularly check for any signs of wear or damage to the screw before use.
- If you notice any defects or irregularities, discontinue use and seek assistance.

## Specific Safety Precautions for Use

- Ensure you are wearing appropriate safety gear, such as safety glasses, when handling tools and the screw.
- Avoid using excessive force when installing or removing the screw to prevent damage to the firearm or the screw itself.
- Do not modify the screw or the firearm in any way that could impair safety or functionality.
- Be aware of your surroundings and ensure you are in a safe environment when handling firearms.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary tools, including an appropriate wrench or screwdriver.
- Ensure the firearm is unloaded and pointed in a safe direction.

### 2. Installation Steps

- Remove the factory screw from your firearm using the appropriate tool.
- Carefully align the 10/22® Socket Head Takedown Screw with the screw hole.
- Gently insert the screw and handtighten it to ensure proper alignment.
- Use the wrench or screwdriver to tighten the screw securely, but do not overtighten.

### 3. PostInstallation Check

- After installation, check that the screw is securely fastened and that there are no gaps.
- Perform a function check on your firearm to ensure everything operates correctly.

### 4. Usage

- Follow all standard safety practices when using your firearm.
- Regularly inspect the screw for signs of wear or damage during routine maintenance.

## Disposal Instructions

- Dispose of any damaged or worn screws in accordance with local regulations.

- Do not dispose of the screw in regular household waste. Check with local authorities for proper disposal methods.

## Contact Information for Further Support

For any safety inquiries or assistance regarding the 10/22® Socket Head Takedown Screw, please contact the manufacturer or your local retailer. Ensure you have the product details ready for a more efficient response.

By following these instructions and guidelines, you can ensure safe and effective use of the 10/22® Socket Head Takedown Screw. Thank you for your attention to safety, and enjoy your enhanced firearm experience.
