

# M&P 15-22 SURESTRIKE FIRING PIN - VOLQUARTSEN M&P 15-22 SURESTRIKE FIRING PIN STEEL

[Rifle Parts](#) > [Bolt Parts](#) > [Firing Pin Parts](#) > [Firing Pins](#)

Tired of light strikes or misfires on your M&P 15-22? Volquartsen's SureStrike Firing Pin will turn it back into the plinking machine you deserve.

Volquartsen's firing pin is CNC machined from S7 Tool Steel to withstand an unlimited amount of firing. It features a design with more material than factory to ensure hard-hitting performance. They also adjusted the point of contact to cover more of the rim to help achieve positive ignition on every shot.

# M&P 1522 SureStrike Firing Pin Safety Instruction Guide

## Introduction

Thank you for choosing the M&P 1522 SureStrike Firing Pin by Volquartsen. This product is designed to enhance the performance of your M&P 1522 firearm. To ensure safe and effective use, please read and follow all safety instructions outlined in this guide.

## General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep firearms out of reach of children and unauthorized users.
- Ensure you are in a safe environment when handling your firearm.
- Use only the recommended ammunition for your M&P 1522.
- Regularly inspect your firearm and components for wear or damage.
- Follow all local laws and regulations regarding firearm ownership and use.
- If you experience any malfunctions, cease use immediately and seek professional assistance.

## Specific Safety Precautions for Use

- Use the SureStrike Firing Pin only with the M&P 1522 model.
- Ensure the firearm is unloaded before installation or maintenance.
- Wear safety glasses to protect your eyes from debris when handling the firearm.
- Do not attempt to modify or alter the firing pin in any way.
- Avoid using the firearm in adverse weather conditions that may affect performance.
- Do not rely solely on the firing pin for safety; always follow safe handling practices.

## Instructions for Installation and Usage

### Installation Instructions

1. **Ensure Safety:** Make sure your firearm is completely unloaded.
2. **Remove the Bolt:** Follow the manufacturer's instructions to safely remove the bolt from your M&P 1522.
3. **Replace the Firing Pin:**
  - Locate the existing firing pin.
  - Carefully remove it according to the manufacturer's guidelines.
  - Insert the Volquartsen SureStrike Firing Pin in place of the old firing pin.
4. **Reassemble the Bolt:** Ensure all components are securely reassembled according to the manufacturer's guidelines.
5. **Test Functionality:** Before using the firearm, conduct a function check to ensure the firing pin operates correctly.

### Usage Instructions

- Always ensure the firearm is pointed in a safe direction when loading or unloading.
- Load the firearm with appropriate ammunition.
- Engage the safety mechanism until you are ready to fire.
- Fire the firearm in a controlled environment, adhering to all local laws and regulations.
- If you experience light strikes or misfires, cease use and check the firing pin installation.

## **Disposal Instructions**

- Dispose of the SureStrike Firing Pin according to local regulations for hazardous materials.
- Do not throw the firing pin in regular household waste.
- Contact your local waste management authority for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any inquiries regarding the M&P 1522 SureStrike Firing Pin, please refer to the manufacturer's customer service resources or visit their official website for support.

By following these guidelines, you can ensure the safe and effective use of the M&P 1522 SureStrike Firing Pin. Always prioritize safety and responsibility when handling firearms. Thank you for your attention to these important instructions.
