

RUGER® MARK II™/MARK III™, & 22/45™ TARGET TRIGGER - VOLQUARTSEN RUGER® TARGET TRIGGER, BLACK

[Handgun Parts](#) > [Trigger Group Parts](#) > [Trigger Parts](#) > [Triggers](#)

Drop-In Trigger Job For .22 Pistols

Precision machined from billet for precise fit to cut down trigger weight and eliminate the heavy pressure required to move the factory part. Helps produce a more consistent pull for improved accuracy. Stop screw is adjustable for overtravel and pretravel with the gun fully assembled, so you get a no-creep pull. Ultra-smooth shoe offers more contact with the trigger finger. Available in Black anodized aluminum or polished stainless steel (SS). Includes trigger spring and trigger spring plunger.

Safety Instruction Guide for RUGER® MARK II™ /MARK III™, & 22/45™ TARGET TRIGGER VOLQUARTSEN RUGER® TARGET TRIGGER, BLACK

Introduction

Thank you for choosing the RUGER® MARK II™ /MARK III™, & 22/45™ TARGET TRIGGER VOLQUARTSEN RUGER® TARGET TRIGGER. This guide provides important safety instructions and guidelines to ensure the safe use of this product. Please read and understand all instructions before installation and use.

General Safety Guidelines

- Ensure that all safety precautions are followed when using this product.
- Always treat firearms and firearm components as if they are loaded.
- Keep the trigger assembly away from children and unauthorized users.
- Regularly inspect the trigger for any signs of wear or damage.
- Store the product in a secure location when not in use.
- Report any unsafe products or incidents to the appropriate authorities.
- Check for product recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Only use the trigger with compatible Ruger models: Mark I, Mark II, Mark III, and 22/45 pistols.
- Avoid modifying the trigger assembly beyond manufacturer specifications.
- Ensure that the firearm is completely disassembled before installing the trigger.
- Do not use the firearm until the trigger has been properly installed and tested.
- Maintain a safe distance from others when handling or testing the firearm.
- Always wear appropriate eye and ear protection when using firearms.

Instructions for Installation and Usage

1. Preparation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools for installation, including screwdrivers and a torque wrench if needed.

2. Installation Steps

- Remove the factory trigger from the firearm according to the manufacturer's instructions.
- Carefully install the Volquartsen trigger into the trigger assembly.
- Adjust the stop screw for overtravel and pretravel as needed. This can be done while the gun is fully assembled.
- Ensure the trigger shoe is securely in place and does not exhibit any movement.

3. Testing the Trigger

- Once installed, perform a function check to ensure proper operation.
- Test the trigger pull to confirm it meets your preferences for weight and smoothness.
- If adjustments are necessary, repeat the adjustment process until satisfied.

4. Regular Maintenance

- Periodically check the trigger for tightness and functionality.
- Clean the trigger assembly as part of your routine firearm maintenance.

Disposal Instructions

- Dispose of any unused or damaged components in accordance with local regulations.
- Do not discard the product in regular household waste. Check for local recycling programs or hazardous waste disposal facilities.

Contact Information for Further Support

For any questions or concerns regarding the product, please consult the manufacturer's website or customer service for assistance.

Thank you for prioritizing safety while using the RUGER® MARK II™/MARK III™, & 22/45™ TARGET TRIGGER VOLQUARTSEN RUGER® TARGET TRIGGER. Your adherence to these guidelines helps ensure a safe and enjoyable experience.
