

# RUGER® 10/22® BOLT RELEASE - VOLQUARTSEN STAINLESS STEEL 10/22® BOLT RELEASE

[Home](#)

## Instant, No-Fumble Bolt Release

Pull back slightly on the bolt handle and the bolt releases. Drop-in part does away with the factory two-handed, push-pull, lift and let-go bolt release mechanism. Made from hardened, heat-treated, durable steel. Requires absolutely no fitting for a faster, easier to shoot 10/22®.

# RUGER® 10/22® BOLT RELEASE VOLQUARTSEN STAINLESS STEEL 10/22® BOLT RELEASE Safety Instruction Guide

## Introduction

Thank you for choosing the RUGER® 10/22® BOLT RELEASE VOLQUARTSEN STAINLESS STEEL 10/22® BOLT RELEASE. This guide provides essential safety instructions and information to ensure the safe use and maintenance of your product. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Ensure that you are familiar with the operation of your firearm before using this product.
- Always treat firearms as if they are loaded, even when they are not.
- Keep firearms pointed in a safe direction at all times.
- Store your firearm securely and out of reach of children and unauthorized users.
- Regularly inspect your firearm and accessories for wear or damage.
- Report any unsafe products or incidents to the relevant authorities.

## Specific Safety Precautions for Use

- This product is designed for use with the Ruger 10/22 firearm only. Do not attempt to use it with other models.
- Ensure that the bolt is in the closed position before installation.
- Avoid placing fingers or any objects near the bolt release mechanism while in use.
- Do not modify the bolt release mechanism in any way that could compromise its safety or functionality.
- If you experience any issues with the bolt release, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### Installation

1. **Preparation:** Make sure your firearm is unloaded and the bolt is closed.
2. **Remove the factory bolt release:** Pull back slightly on the bolt handle to release tension, then carefully remove the original bolt release mechanism.
3. **Install the VOLQUARTSEN bolt release:** Insert the new bolt release into the designated slot, ensuring it is properly seated.
4. **Test the mechanism:** Pull back slightly on the bolt handle to ensure the bolt releases correctly. If it does not function as expected, doublecheck the installation.

### Usage

- To release the bolt, pull back slightly on the bolt handle. The bolt will release easily without the need for twohanded operation.
- Always ensure that the firearm is pointed in a safe direction when releasing the bolt.

## Disposal Instructions

- Dispose of any packaging materials responsibly, following local recycling guidelines.
- If the product becomes damaged or is no longer in use, dispose of it in accordance with local regulations for metal and firearm accessories.

## **Contact Information for Further Support**

For any questions or concerns regarding the RUGER® 10/22® BOLT RELEASE VOLQUARTSEN STAINLESS STEEL 10/22® BOLT RELEASE, please contact the manufacturer or your local authorized dealer for assistance.

Thank you for your attention to these important safety instructions. Your safety and the safety of others is our top priority.
