

RUGER® 10/22® BOLT RELEASE - VOLQUARTSEN BLUE 10/22® BOLT RELEASE

[Home](#)

Instant, No-Fumble Bolt Release

Pull back slightly on the bolt handle and the bolt releases. Drop-in part does away with the factory two-handed, push-pull, lift and let-go bolt release mechanism. Made from hardened, heat-treated, durable steel. Requires absolutely no fitting for a faster, easier to shoot 10/22®.

RUGER® 10/22® BOLT RELEASE VOLQUARTSEN BLUE Safety Instruction Guide

Introduction

Thank you for choosing the RUGER® 10/22® BOLT RELEASE VOLQUARTSEN BLUE. This product is designed to enhance the functionality of your Ruger 10/22 rifle by providing a more efficient bolt release mechanism. Please read this safety instruction guide carefully to ensure safe and proper use of the product, in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that all firearms are handled safely and responsibly.
- Always treat every firearm as if it is loaded.
- Keep firearms pointed in a safe direction at all times.
- Store firearms and ammunition securely, away from children and unauthorized users.
- Be aware of your surroundings and ensure that you are in a safe environment when using firearms.
- Regularly check for product recalls and safety updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- This bolt release is designed specifically for the Ruger 10/22 model. Do not attempt to use it with other models or brands.
- Ensure that the bolt is in a safe position before attempting to install or operate the bolt release.
- Always use the product with proper eye and ear protection.
- Avoid using excessive force when operating the bolt release to prevent damage to the mechanism.
- Regularly inspect the bolt release for wear or damage and replace it if necessary.

Instructions for Installation and Usage

Installation Instructions

1. **Prepare Your Workspace:** Ensure your workspace is clean and free from distractions. Have all necessary tools at hand.
2. **Ensure Safety:** Make sure the firearm is unloaded and the bolt is in the rear position.
3. **Remove the Factory Bolt Release:**
 - Using a suitable tool, carefully remove the factory-installed bolt release from the Ruger 10/22.
4. **Install the VOLQUARTSEN Bolt Release:**
 - Align the VOLQUARTSEN bolt release with the mounting position.
 - Push it into place until it is securely fitted. No additional fitting should be required.
5. **Test the Installation:**
 - Pull back slightly on the bolt handle to ensure that the bolt releases correctly.
 - Check for smooth operation without any obstructions.

Usage Instructions

- To release the bolt, simply pull back slightly on the bolt handle. The bolt will release automatically.
- Ensure that you are familiar with the operation of the bolt release before using the firearm in a live setting.

Disposal Instructions

- Dispose of the product in accordance with local regulations.

- If the product is damaged or no longer needed, consider recycling it if possible.
- Do not dispose of any components in regular household waste.

Contact Information for Further Support

For any questions or concerns regarding the use of the RUGER® 10/22® BOLT RELEASE VOLQUARTSEN BLUE, please refer to the manufacturer's contact information provided with your purchase. It is important to seek assistance if you encounter any issues or have safety concerns.

By following these guidelines, you can ensure a safe and enjoyable experience with your RUGER® 10/22® BOLT RELEASE VOLQUARTSEN BLUE. Thank you for prioritizing safety in your firearm use.
