Stainless Steel Dipper Safety Instructions

Introduction

Thank you for choosing the Brownells Stainless Steel Dipper. This longhandled dipper is designed for safely adding water to the Bluing Bath. To ensure safe usage and to help you enjoy the benefits of this product, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always inspect the dipper for any signs of damage or defects before use.
- Do not use the dipper for any purpose other than its intended use.
- Keep the dipper out of reach of children and vulnerable individuals.
- Ensure that the dipper is used in a wellventilated area to avoid inhalation of fumes.
- Always handle the dipper with care to prevent spills and accidents.

Specific Safety Precautions for Use

- Use the dipper only when it is clean and dry to prevent contamination.
- When pouring, ensure that the bent handle is positioned securely to avoid spills.
- Avoid overfilling the bowl to minimize the risk of splashing.
- Do not place the dipper on hot surfaces or near open flames.
- If the dipper becomes damaged, discontinue use immediately and dispose of it properly.

Instructions for Installation and Usage

1. **Preparation:** Before using the dipper, ensure that it is clean. Rinse it with water if necessary.
2. **Filling the Dipper:**
 - Place the dipper in the water source, ensuring that the bowl is submerged.
 - Tilt the dipper gently to fill the bowl without causing splashes.
3. **Pouring:**
 - Hold the dipper by the handle securely.
 - Tilt the dipper to pour the water slowly into the Bluing Bath, using the bent handle for side pouring.
4. **After Use:**
 - Clean the dipper thoroughly after each use to prevent buildup of residues.
 - Store the dipper in a dry place away from direct sunlight.

Disposal Instructions

- If the dipper is no longer usable, dispose of it in accordance with local regulations for stainless steel products.
- Do not dispose of the dipper in regular household waste if it is damaged; check local recycling guidelines for proper disposal.

Contact Information for Further Support

For any safety inquiries or additional support regarding the Brownells Stainless Steel Dipper, please refer to the product packaging or visit the official website for more information.

By following these safety instructions, you can ensure a safe and effective experience with your Brownells Stainless Steel Dipper. Thank you for your attention to safety!
