

# PIERCE POINT JAGS - SHOOTERS CHOICE PIERCE POINT JAG .22 CALIBER

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rod Jags](#)

## Cleaning Jags Purpose-Built for Perfect Cleaning

Coming in a variety of popular calibers, ranging from .22- to .40-caliber, the Shooter's Choice Pierce Point Cleaning Jags are sized right to ensure a proper cleaning of your bore, since each jag is perfectly machined to ensure a tight fit when used with proper patches. Each Shooter's Choice cleaning jags are machined from solid brass, so they won't scratch or mar the inside of your gun's barrel. The jags feature a pointed tip that pierces cleaning patches and ensures that they remain centered while being pushed through a bore. The patches are sized to fit all 8-32 threaded cleaning rods.

# Safety Instruction Guide for Shooter's Choice Pierce Point Jags

## Introduction

Thank you for choosing the Shooter's Choice Pierce Point Jags. These cleaning jags are designed to provide effective and safe cleaning for your firearms. Please read this safety instruction guide carefully to ensure proper use and maintenance of the product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always ensure that the firearm is unloaded before using the cleaning jag.
- Keep cleaning jags out of reach of children and vulnerable individuals.
- Inspect the cleaning jag for any damage before each use. Do not use if damaged.
- Use only the appropriate caliber jag for your firearm to avoid damage.
- Follow all manufacturer guidelines for your specific firearm model.
- Store the cleaning jags in a safe, dry place away from direct sunlight and moisture.

## Specific Safety Precautions for Use

### • Potential Hazards:

- Injury from improper handling of cleaning tools.
- Damage to firearm barrel if the wrong jag size is used.
- Risk of choking hazard if small components are not stored safely.

### • Instructions for Avoiding Hazards:

- Always handle the cleaning jag with care.
- Ensure that you are using the correct .22 caliber jag for your firearm.
- Do not force the jag into the barrel; it should fit snugly without excessive pressure.
- If you experience resistance while cleaning, stop and check for obstructions.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that your firearm is completely unloaded and pointed in a safe direction.
- Gather all necessary cleaning supplies, including patches and cleaning rod.

### 2. Attaching the Jag:

- Thread the Pierce Point Jag onto the cleaning rod, ensuring it is securely attached.

### 3. Using the Jag:

- Take a cleaning patch and insert it into the pointed tip of the jag.
- Carefully push the jag and patch into the firearm's barrel.
- Move the jag back and forth gently to clean the bore, ensuring the patch remains centered.
- After cleaning, remove the jag and patch from the barrel.

### 4. PostUse Care:

- Clean the jag with a suitable solvent to remove any residue.
- Store the jag in its designated place to prevent damage or loss.

## **Disposal Instructions**

- Dispose of used cleaning patches and any other waste materials in accordance with local regulations.
- Do not dispose of the cleaning jag in regular household waste. Check for local recycling programs or hazardous waste disposal options.

## **Contact Information for Further Support**

For any questions regarding the use or safety of the Shooter's Choice Pierce Point Jags, please refer to the manufacturer's contact details provided on the packaging or product documentation.

Thank you for your attention to these safety instructions. By following these guidelines, you can ensure a safe and effective cleaning experience for your firearm.
