

# PIERCE POINT JAGS - SHOOTERS CHOICE PIERCE POINT JAG .270 CALIBER

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rod Jags](#)

## Cleaning Jags Purpose-Built for Perfect Cleaning

Coming in a variety of popular calibers, ranging from .22- to .40-caliber, the Shooter's Choice Pierce Point Cleaning Jags are sized right to ensure a proper cleaning of your bore, since each jag is perfectly machined to ensure a tight fit when used with proper patches. Each Shooter's Choice cleaning jags are machined from solid brass, so they won't scratch or mar the inside of your gun's barrel. The jags feature a pointed tip that pierces cleaning patches and ensures that they remain centered while being pushed through a bore. The patches are sized to fit all 8-32 threaded cleaning rods.

# Safety Instruction Guide for Shooter's Choice Pierce Point Jags

## Introduction

Thank you for choosing the Shooter's Choice Pierce Point Jags. These cleaning jags are designed for efficient and safe cleaning of your firearm's bore. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Always handle firearms responsibly and in accordance with local laws and regulations.
- Ensure that the firearm is unloaded before using cleaning jags.
- Use cleaning jags only with the appropriate caliber and size patches.
- Keep cleaning jags out of reach of children and unauthorized users.
- Inspect the cleaning jags for any damage or wear before use.
- Do not use damaged or worn cleaning jags, as they may pose a safety risk.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Ensure proper fit: Use the cleaning jags that match the caliber of your firearm to prevent damage.
- Avoid force: Do not force the jag through the bore; this may cause damage to the barrel or the jag itself.
- Use in a wellventilated area: When using cleaning solvents, ensure adequate ventilation to avoid inhaling harmful fumes.
- Wear safety goggles: Protect your eyes from potential splashes of cleaning solvents or debris.
- Use gloves: Wear protective gloves to avoid skin contact with cleaning solvents.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that your firearm is unloaded and pointed in a safe direction.
- Gather all necessary materials: cleaning jags, patches, cleaning rod, and cleaning solvent.

### 2. Attaching the Jag:

- Select the appropriate jag for your firearm caliber.
- Screw the jag onto the cleaning rod securely, ensuring a tight fit.

### 3. Preparing the Patch:

- Take a cleaning patch and ensure it is the correct size for the jag.
- Place the patch over the pointed tip of the jag, centering it properly.

### 4. Cleaning Process:

- Apply a small amount of cleaning solvent to the patch.
- Insert the jag into the bore from the breech end (if applicable).
- Gently push the jag through the bore, allowing the patch to clean the interior.
- Pull the jag back out of the bore slowly and repeat as necessary until the bore is clean.

### 5. PostCleaning:

- Inspect the jag for any wear or damage after use.
- Clean the jag and rod with solvent to remove residue.
- Store the jags and cleaning equipment in a safe, dry place.

## **Disposal Instructions**

- Dispose of used cleaning patches and solvents in accordance with local waste disposal regulations.
- Do not dispose of cleaning jags in regular household waste if they are damaged or worn; follow local hazardous waste guidelines.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of Shooter's Choice Pierce Point Jags, please contact your local retailer or the manufacturer directly for assistance.

Thank you for adhering to these safety instructions. Your safety and the safety of others depend on responsible handling and use of cleaning products.
