

PIERCE POINT JAGS - SHOOTERS CHOICE PIERCE POINT JAG 9MM

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rod Jags](#)

Cleaning Jags Purpose-Built for Perfect Cleaning

Coming in a variety of popular calibers, ranging from .22- to .40-caliber, the Shooter's Choice Pierce Point Cleaning Jags are sized right to ensure a proper cleaning of your bore, since each jag is perfectly machined to ensure a tight fit when used with proper patches. Each Shooter's Choice cleaning jags are machined from solid brass, so they won't scratch or mar the inside of your gun's barrel. The jags feature a pointed tip that pierces cleaning patches and ensures that they remain centered while being pushed through a bore. The patches are sized to fit all 8-32 threaded cleaning rods.

Safety Instruction Guide for Shooter's Choice Pierce Point Jags

Introduction

Thank you for choosing the Shooter's Choice Pierce Point Jags. This guide provides essential safety information and usage instructions to ensure a safe and effective cleaning experience for your firearm. Please read this guide carefully before use.

General Safety Guidelines

- Always follow safe firearm handling practices.
- Ensure that the firearm is unloaded before cleaning.
- Keep cleaning jags and all cleaning supplies out of reach of children.
- Inspect the cleaning jags for any damage before use. Do not use damaged products.
- Use only the appropriate caliber jags for your firearm to avoid potential hazards.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Wear safety glasses to protect your eyes from debris while cleaning.
- Avoid using excessive force when pushing the jag through the bore to prevent damage.
- Ensure that the cleaning patches are securely attached to the jag before use.
- Do not leave cleaning jags unattended when in use.
- Always clean in a well-ventilated area to avoid inhaling any harmful chemicals from cleaning solvents.

Instructions for Installation and Usage

1. Preparation:

- Ensure that your firearm is unloaded and pointed in a safe direction.
- Gather all necessary cleaning supplies, including the appropriate caliber jag, cleaning patches, and cleaning rod.

2. Attaching the Jag:

- Select the correct caliber jag (e.g., 9mm).
- Screw the jag onto the cleaning rod, ensuring a tight fit.

3. Preparing the Patch:

- Take a cleaning patch and place it over the pointed tip of the jag.
- Ensure that the patch is centered and securely attached.

4. Cleaning the Bore:

- Insert the jag into the bore of the firearm.
- Gently push the jag through the bore, applying even pressure.
- Pull the jag back out, bringing the cleaning patch with it.
- Repeat as necessary until the bore is clean.

5. Post-Cleaning:

- Dispose of used cleaning patches properly.

- Clean the jag and rod with a suitable solvent to remove any residue.
- Store the jags and cleaning supplies in a safe place, out of reach of children.

Disposal Instructions

- Dispose of used cleaning patches in accordance with local regulations.
- Do not dispose of cleaning jags in regular household waste if they are damaged or hazardous.
- Follow any specific disposal instructions provided by local waste management authorities.

Contact Information for Further Support

For any inquiries regarding the safety and use of the Shooter's Choice Pierce Point Jags, please refer to the relevant contact information provided with your product or visit the manufacturer's website.

By following these guidelines and instructions, you can ensure a safe and effective cleaning process for your firearm. Thank you for prioritizing safety and compliance with the EU General Product Safety Regulation.
