

PIERCE POINT JAGS - SHOOTERS CHOICE PIERCE POINT JAG .45 CALIBER

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rod Jags](#)

Cleaning Jags Purpose-Built for Perfect Cleaning

Coming in a variety of popular calibers, ranging from .22- to .40-caliber, the Shooter's Choice Pierce Point Cleaning Jags are sized right to ensure a proper cleaning of your bore, since each jag is perfectly machined to ensure a tight fit when used with proper patches. Each Shooter's Choice cleaning jags are machined from solid brass, so they won't scratch or mar the inside of your gun's barrel. The jags feature a pointed tip that pierces cleaning patches and ensures that they remain centered while being pushed through a bore. The patches are sized to fit all 8-32 threaded cleaning rods.

Safety Instruction Guide for Shooter's Choice Pierce Point Jag .45 Caliber

Introduction

Thank you for choosing the Shooter's Choice Pierce Point Jag .45 Caliber. This guide provides important safety information to ensure your safe and effective use of this product. Please read and follow these instructions carefully.

General Safety Guidelines

- Always ensure the firearm is unloaded before cleaning.
- Keep the cleaning jags out of reach of children and unauthorized users.
- Inspect the jags for damage before use; do not use damaged products.
- Follow all local laws and regulations regarding firearm maintenance and cleaning.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Use only the specified caliber jags with compatible cleaning patches.
- Wear appropriate eye protection during cleaning to prevent injury from debris.
- Ensure that the cleaning rod is securely attached to the jag before use.
- Do not force the jag through the bore; apply gentle, consistent pressure.
- Avoid using excessive force that may damage the barrel or jag.

Instructions for Installation and Usage

1. Preparation

- Ensure the firearm is completely unloaded.
- Gather all necessary cleaning supplies, including patches and cleaning solution.

2. Attaching the Jag

- Select the appropriate jag for your firearm caliber (in this case, .45 caliber).
- Attach the jag to an 832 threaded cleaning rod securely.

3. Using the Jag

- Take a cleaning patch and center it on the pointed tip of the jag.
- Gently push the jag with the attached patch into the bore from the chamber end.
- Use a smooth, steady motion to push the jag through the bore.
- After passing through, pull the jag back out, ensuring the patch is removed.

4. Cleaning Process

- Repeat the process as necessary, using fresh patches and cleaning solution.
- Follow the manufacturer's recommendations for cleaning frequency.

5. PostCleaning

- Inspect the jag for any signs of wear or damage.
- Store the jag in a safe, dry place out of reach of children.

Disposal Instructions

- Dispose of used cleaning patches and any other waste materials in accordance with local regulations.
- Do not dispose of cleaning jags in regular household waste; check for recycling programs or designated disposal sites.

Contact Information for Further Support

For any questions or concerns regarding the use of the Shooter's Choice Pierce Point Jag .45 Caliber, please refer to the product packaging for the manufacturer's contact information. Ensure you have your product details handy for assistance.

Thank you for your attention to these safety guidelines. Your safety is our priority, and we hope you enjoy using your Shooter's Choice Pierce Point Jag.
