

# RIFLE CLEANING ROD - SHOOTERS CHOICE 22 CALIBER 36" STAINLESS CLEANING ROD

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rods](#)

## A Solidly Built Cleaning Rod Made in America

When used with a proper guide, having a stainless-steel cleaning rod won't mar your bore and will provide a solid cleaning tool for a lifetime. Sized for use in firearms starting from .22-caliber guns on up, these Shooter's Choice rifle-length, 36-inch cleaning rods are built durably and ensures that gun owners won't ever be without an effective tool to clean their guns. Each Shooter's Choice Rifle Cleaning Rod is made in the USA and features a full-size handle complete with steel ball bearings that allow the rod and a tight-fitting brush or jag to turn along with the barrel's rifling, so your threaded rod end won't come loose as it travels down the bore. Each rod end is compatible with standard 8-32 threaded accessories.

# Safety Instruction Guide for Shooter's Choice 22 Caliber 36" Stainless Cleaning Rod

## Introduction

Thank you for choosing the Shooter's Choice 22 Caliber 36" Stainless Cleaning Rod. This cleaning rod is designed to provide you with a durable and effective tool for maintaining your firearms. To ensure your safety and the proper use of this product, please read and follow the safety guidelines and instructions outlined in this document.

## General Safety Guidelines

- Always use the cleaning rod with a proper guide to avoid damaging the bore of your firearm.
- Ensure that the cleaning rod is compatible with your firearm caliber.
- Keep the cleaning rod out of reach of children and vulnerable individuals.
- Regularly inspect the cleaning rod for any signs of wear or damage before use.
- Report any unsafe conditions or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Before using the cleaning rod, ensure that your firearm is unloaded and pointed in a safe direction.
- Do not force the cleaning rod through the bore; if resistance is encountered, stop and investigate the cause.
- Use only standard 832 threaded accessories with the cleaning rod to ensure proper fit and function.
- Avoid using the cleaning rod in extreme temperatures or environments that may cause damage to the rod or affect its performance.
- If you experience any discomfort or injury while using the cleaning rod, discontinue use immediately and seek assistance.

## Instructions for Installation and Usage

1. **Preparation:** Ensure your firearm is unloaded and in a safe position.
2. **Threading Accessories:** Attach the desired cleaning brush or jag to the threaded end of the cleaning rod. Ensure it is securely fastened.
3. **Using the Cleaning Rod:**
  - Insert the cleaning rod into the bore of the firearm.
  - Use a proper guide to align the rod with the barrel's rifling.
  - Gently push the rod through the bore, allowing the steel ball bearings to facilitate smooth rotation.
  - If using a brush, pull it back and forth to effectively clean the bore.
4. **Completion:** After cleaning, remove the cleaning rod from the bore and detach any accessories.
5. **Storage:** Store the cleaning rod in a dry place, away from children and pets.

## Disposal Instructions

- Dispose of the cleaning rod according to local regulations for metal products.
- If the cleaning rod is damaged beyond repair, ensure that it is disposed of in a manner that prevents harm to the environment or others.

## Contact Information for Further Support

For any inquiries regarding the safety and use of the Shooter's Choice 22 Caliber 36" Stainless Cleaning Rod, please refer to the contact details provided with your product packaging or visit the manufacturer's website for additional resources.

By following these safety instructions and guidelines, you can ensure a safe and effective cleaning experience with your Shooter's Choice cleaning rod. Thank you for your attention to safety.
