

RIFLE CLEANING ROD - SHOOTERS CHOICE 22 CALIBER 36" BRASS CLEANING ROD

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rods](#)

A Solidly Built Cleaning Rod Made in America

When used with a proper guide, having a stainless-steel cleaning rod won't mar your bore and will provide a solid cleaning tool for a lifetime. Sized for use in firearms starting from .22-caliber guns on up, these Shooter's Choice rifle-length, 36-inch cleaning rods are built durably and ensures that gun owners won't ever be without an effective tool to clean their guns. Each Shooter's Choice Rifle Cleaning Rod is made in the USA and features a full-size handle complete with steel ball bearings that allow the rod and a tight-fitting brush or jag to turn along with the barrel's rifling, so your threaded rod end won't come loose as it travels down the bore. Each rod end is compatible with standard 8-32 threaded accessories.

Safety Instruction Guide for Shooter's Choice 22 Caliber 36" Brass Cleaning Rod

Introduction

Thank you for choosing the Shooter's Choice 22 Caliber 36" Brass Cleaning Rod. This guide provides important safety instructions and information to ensure the safe and effective use of your cleaning rod. Please read this guide carefully before using the product.

General Safety Guidelines

- **Product Safety:** This cleaning rod is designed for safe use with firearms. Always follow safety practices when handling firearms and cleaning tools.
- **Enhanced Recalls:** Be aware of any recall notices related to this product. If you receive a recall notice, follow the instructions provided.
- **Online Shopping:** When purchasing online, ensure that the seller complies with safety regulations. Check for product safety information on the seller's website.
- **Special Consumer Focus:** This product is not intended for use by children. Keep out of reach of minors.
- **EU Contact Point:** For any safety inquiries, please contact the appropriate EU-based safety authority.
- **Rapid Alerts:** Stay informed about product safety updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Use Proper Guides:** Always use a proper guide when using the cleaning rod to prevent damage to the firearm's bore.
- **Inspect Before Use:** Check the cleaning rod for any signs of damage before use. Do not use if damaged.
- **Proper Handling:** Handle the cleaning rod with care. Avoid applying excessive force when cleaning to prevent injury or damage.
- **Compatibility:** Ensure that the cleaning rod is compatible with your firearm's caliber. This rod is specifically designed for .22 caliber firearms.
- **Secure Accessories:** When attaching brushes or jags, ensure they are securely fastened to avoid them coming loose during use.
- **Avoid Contact with Eyes:** Take care to avoid contact with your eyes when cleaning. Use safety glasses if necessary.

Instructions for Installation and Usage

1. Preparation:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Gather all necessary cleaning supplies, including the cleaning rod, brushes, jags, and cleaning solvent.

2. Attaching Accessories:

- Select the appropriate brush or jag for your cleaning needs.
- Screw the accessory onto the threaded end of the cleaning rod, ensuring it is tightly secured.

3. Cleaning Process:

- Insert the cleaning rod into the barrel from the chamber end, ensuring that it is aligned with the bore.
- Gently push the rod through the barrel, allowing the brush or jag to clean the rifling.

- Avoid applying excessive force; let the cleaning tool do the work.
- Repeat the process as necessary, using cleaning solvent to aid in removing fouling.

4. PostCleaning:

- After cleaning, remove the brush or jag from the rod.
- Clean the rod with a soft cloth to remove any residue.
- Store the cleaning rod in a safe, dry place away from children.

Disposal Instructions

- Dispose of any cleaning materials, such as brushes or solventsoaked rags, in accordance with local regulations.
- Do not dispose of the cleaning rod in regular household waste. Check with local authorities for proper disposal methods for metal products.

Contact Information for Further Support

For any questions or concerns regarding the use of your Shooter's Choice 22 Caliber 36" Brass Cleaning Rod, please consult your local firearm safety authority or a qualified gunsmith for assistance. Always prioritize safety when handling firearms and cleaning tools.
