

RIFLE CLEANING ROD - SHOOTERS CHOICE 22 CALIBER 36" STAINLESS COATED CLEANING ROD

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rods](#)

A Solidly Built Cleaning Rod Made in America

When used with a proper guide, having a stainless-steel cleaning rod won't mar your bore and will provide a solid cleaning tool for a lifetime. Sized for use in firearms starting from .22-caliber guns on up, these Shooter's Choice rifle-length, 36-inch cleaning rods are built durably and ensures that gun owners won't ever be without an effective tool to clean their guns. Each Shooter's Choice Rifle Cleaning Rod is made in the USA and features a full-size handle complete with steel ball bearings that allow the rod and a tight-fitting brush or jag to turn along with the barrel's rifling, so your threaded rod end won't come loose as it travels down the bore. Each rod end is compatible with standard 8-32 threaded accessories.

Safety Instruction Guide for Shooter's Choice 22 Caliber 36" Stainless Coated Cleaning Rod

Introduction

Thank you for choosing the Shooter's Choice 22 Caliber 36" Stainless Coated Cleaning Rod. This guide provides essential safety instructions to ensure safe and effective use of the product. Please read this guide thoroughly before using the cleaning rod.

General Safety Guidelines

- Ensure that the cleaning rod is used only for its intended purpose of cleaning firearms.
- Always handle firearms safely and responsibly, following all relevant safety guidelines.
- Keep the cleaning rod out of reach of children and vulnerable individuals.
- Inspect the cleaning rod for any signs of damage before each use. Do not use if damaged.
- Always use the cleaning rod in a wellventilated area.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Always use a proper guide when using the cleaning rod to prevent damage to the bore of the firearm.
- Ensure that the firearm is unloaded and pointed in a safe direction before cleaning.
- Avoid excessive force when using the cleaning rod, as this may damage the firearm or the rod itself.
- Use only compatible 832 threaded accessories with the cleaning rod.
- Do not attempt to modify the cleaning rod or its components.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the firearm is completely unloaded.
- Gather all necessary cleaning supplies, including the cleaning rod, brushes, and cleaning solutions.

2. Attaching Accessories:

- Select the appropriate brush or jag for your cleaning needs.
- Screw the accessory onto the threaded end of the cleaning rod until secure.

3. Cleaning Procedure:

- Insert the cleaning rod into the bore of the firearm gently.
- Rotate the rod slowly to match the rifling of the barrel, ensuring the accessory does not get stuck.
- Pull the rod out of the bore carefully, keeping it straight to avoid damage.
- Repeat as necessary, using cleaning solutions as required.

4. PostCleaning:

- After cleaning, detach the accessory from the cleaning rod.
- Clean the rod with a soft cloth to remove any residue.
- Store the cleaning rod in a safe, dry place.

Disposal Instructions

- Dispose of any cleaning solutions or accessories according to local regulations.
- If the cleaning rod is damaged beyond repair, dispose of it in accordance with local waste disposal regulations.

Contact Information for Further Support

For any inquiries regarding safety or usage, please consult the product packaging or visit the manufacturer's website for assistance.

Thank you for your attention to these safety instructions. Proper use and maintenance of your Shooter's Choice Cleaning Rod will ensure it remains a reliable tool for years to come.
