# Safety Instruction Guide for AR .308 Enhanced Super Duty Ejector Springs

## Introduction

Thank you for choosing the AR .308 Enhanced Super Duty Ejector Springs by Sprinco USA. This guide provides important safety instructions and information to ensure the safe and effective use of this product. Please read this guide carefully before use.

## General Safety Guidelines

- Ensure that all components are installed correctly and securely before use.
- Always handle the ejector springs with care to avoid injury.
- Store the ejector springs in a cool, dry place away from direct sunlight.
- Regularly inspect the ejector springs for any signs of wear or damage.
- Dispose of any damaged springs properly to prevent accidents.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear, such as gloves and eye protection, when handling or installing the ejector springs.
- Avoid exposure to extreme temperatures exceeding 750°F, as this may affect the performance of the springs.
- Keep the ejector springs out of reach of children and vulnerable individuals.
- Do not modify the ejector springs in any way, as this may compromise their safety and performance.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that your firearm is unloaded and in a safe condition before beginning installation.
- Gather all necessary tools and components required for the installation.

### 2. Installation:

- Remove the old ejector springs from the firearm carefully.
- Inspect the new ejector springs for any visible defects before installation.
- Install the new ejector springs according to the manufacturer's specifications, ensuring they are seated correctly.
- Reassemble the firearm and perform a function check to ensure proper operation.

### 3. Usage:

- Regularly check the ejector springs during routine maintenance to ensure they are functioning correctly.
- If you notice any performance issues, remove the ejector springs and inspect them for damage.

## Disposal Instructions

- Dispose of any damaged or worn ejector springs in accordance with local regulations.
- Do not dispose of the springs in regular household waste; check for designated disposal facilities or recycling programs.

## **Contact Information for Further Support**

For safety inquiries or additional support regarding the AR .308 Enhanced Super Duty Ejector Springs, please contact the relevant EUbased contact point.

## **Conclusion**

By following these safety instructions and guidelines, you can ensure the safe and effective use of the AR .308 Enhanced Super Duty Ejector Springs. Always prioritize safety and consult professionals if you have any questions or concerns. Thank you for your attention and for choosing Sprinco USA products.
