Safety Instruction Guide for AR .308 Bolt & Gas Rings

Introduction

Thank you for choosing the AR .308 Bolt & Gas Rings by SPRINCO USA. This guide provides essential safety instructions and guidelines to ensure the safe use and maintenance of your product. Please read this document carefully before using the product.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always follow the manufacturer's instructions for installation and usage.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for wear and tear; do not use if damaged.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Stay informed about product recalls and safety updates via the EU Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate safety gear (e.g., gloves, eye protection) when handling and installing the gas rings.
- Avoid contact with any chemicals or solvents that may damage the product.
- Ensure that the firearm is unloaded and in a safe condition before installation or maintenance.
- Do not modify the product in any way, as this may compromise safety and performance.
- Follow all local laws and regulations regarding firearm accessories and modifications.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools and safety equipment.
- Ensure that your workspace is clean and welllit.

2. Installation

- Remove the existing bolt and gas rings from your firearm following the manufacturer's guidelines.
- Carefully install the new AR .308 gas rings by aligning them properly with the bolt assembly.
- Ensure that the rings are seated correctly; improper installation may affect functionality.

3. Usage

- After installation, test the functionality of the bolt and gas rings in a safe environment.
- Regularly check the rings for signs of wear or damage during routine maintenance.

4. Maintenance

- Clean the gas rings and surrounding areas as per the manufacturer's instructions.
- Store the product in a cool, dry place away from direct sunlight and moisture.

Disposal Instructions

- Dispose of the product in accordance with local environmental regulations.

- Do not dispose of the product in regular household waste.
- If the product is damaged or no longer usable, consult your local waste management authority for proper disposal methods.

Contact Information for Further Support

For further support and inquiries regarding safety or productrelated questions, please refer to the manufacturer's contact information provided on the packaging or product insert.

By adhering to these safety instructions, you can ensure the safe and effective use of your AR .308 Bolt & Gas Rings. Thank you for your commitment to safety and responsible usage.
