# Safety Instruction Guide for AR15 30Round Magazine Springs by Sprinco USA

## Introduction

Thank you for choosing the AR15 30Round Magazine Springs from Sprinco USA. This guide provides essential safety instructions to ensure the proper use and maintenance of your magazine springs. Please read this guide carefully to maximize your safety and the performance of your product.

## General Safety Guidelines

- Ensure safe handling of all products, including magazine springs, to prevent accidents or injuries.
- Be aware of potential risks associated with improper use and handling.
- Always follow the manufacturer's instructions for installation and usage.
- Regularly check for updates regarding recalls or safety notices related to this product.
- Report any unsafe product incidents to the appropriate authorities immediately.

## Specific Safety Precautions for Use

- Only use the magazine springs with compatible magazine bodies and antitilt followers.
- Do not overcompress the springs to avoid damage and ensure optimal performance.
- Keep the magazine springs away from children and vulnerable individuals.
- Inspect the springs regularly for signs of wear or damage before use.
- Do not attempt to modify or alter the magazine springs in any way.

## Instructions for Installation and Usage

### 1. Installation

- Ensure that you have a clean and safe workspace.
- Remove the old magazine spring from the magazine body if applicable.
- Insert the new Sprinco magazine spring into the magazine body, ensuring it is seated properly.
- If using antitilt followers, ensure they are compatible and installed correctly.

### 2. Usage

- Load the magazine springs with ammunition according to the manufacturer's guidelines.
- Avoid overloading the magazine to prevent spring fatigue.
- When loading, support the follower to the top 4 rounds for easier loading to full capacity.
- Ensure the magazine is securely seated in the firearm before use.

### 3. Maintenance

- Regularly clean the magazine springs and magazine body to prevent debris buildup.
- Store the magazine springs in a cool, dry place when not in use.
- Periodically check the springs for any signs of corrosion or damage.

## Disposal Instructions

- Dispose of any damaged or worn magazine springs in accordance with local regulations.
- Do not throw away magazine springs in regular household waste; consider recycling options where available.
- If unsure about disposal methods, contact local waste management authorities for guidance.

## **Contact Information for Further Support**

For any inquiries regarding safety, installation, or usage, please refer to the manufacturer's website or customer support resources. Ensure you have the product details ready for efficient assistance.

By following this guide, you can ensure the safe and effective use of your AR15 30Round Magazine Springs. Thank you for your attention to these important safety instructions.
