Safety Instruction Guide for AR15 30Round Magazine Springs

Introduction

Thank you for purchasing the AR15 30Round Magazine Springs from Sprinco USA. This guide provides essential safety information and instructions to ensure the safe and effective use of your magazine springs. Please read and understand all sections before using the product.

General Safety Guidelines

- Ensure that the magazine springs are used only with compatible magazine bodies and antitilt followers.
- Inspect the springs regularly for signs of wear or damage. Do not use damaged springs.
- Store the magazine springs in a cool, dry place away from direct sunlight and moisture.
- Keep the magazine springs out of reach of children and vulnerable individuals.
- Familiarize yourself with local laws and regulations regarding the use of firearm accessories.

Specific Safety Precautions for Use

- Do not overcompress the springs. Overcompression can lead to spring fatigue and failure.
- Use only antitilt followers designed for compatibility with the magazine springs.
- Avoid using the springs with Brownells USGI Tan Followers, ETS Mags, or certain HK Followers, as they may not function correctly.
- Ensure that the magazine is fully seated in the firearm before use.
- Always handle firearms safely and responsibly, following all applicable safety protocols.

Instructions for Installation and Usage

1. Installation:

- Remove the old springs from your magazine if applicable.
- Insert the new flat wire magazine springs into the magazine body, ensuring proper alignment.
- Use antitilt followers to support the top four rounds for easier loading.
- Check that the springs are seated properly before use.

2. Usage:

- Load your magazine to full capacity as needed.
- Ensure that the magazine is securely attached to the firearm before firing.
- Monitor the performance of the magazine springs during use. If you notice any issues, discontinue use immediately.

Disposal Instructions

- Dispose of any damaged or worn magazine springs in accordance with local regulations.
- Do not throw springs in regular trash; consider recycling options if available.
- Ensure that all parts are disposed of safely to prevent injury to others.

Contact Information for Further Support

For further assistance or inquiries regarding the AR15 30Round Magazine Springs, please refer to the manufacturer's website or customer support resources.

Thank you for your attention to these safety guidelines. Proper use and care of your magazine springs will enhance your shooting experience while ensuring safety.
