

SYNTHETIC GREASE - M-PRO 7 SYNTHETIC GREASE

[Gun Cleaning & Chemicals](#) > [Oils & Lubricants](#) > [Lubricant & Protectant Oils](#)

M-Pro7 Synthetic Grease has been specifically formulated for advanced military and law enforcement style handheld and crew served weaponry used in extreme environments. It combines some of the finest synthetic base oils coupled with the latest corrosion inhibitor and extreme pressure additives available. Sub-micron PTFE particles also reduce metal-to-metal contact wear which increases the working life of the firearm. Generally safe on all finishes including plastics, composites, wood, and rubber. Extremely water resistant Inhibits rust and corrosion Withstands extreme pressures & temperatures: -40°F to 560°F Excellent metal adherence Does not rub off under extreme conditions Reduces time and frequency of maintenance with easy wipe-off cleaning Does not gum up or dry out; excellent for long term storage Can be used on autos, bikes, fishing reels, tools, all sliding surfaces, bolts, lugs, & more Non-toxic, non-flammable, non-hazardous, & low odor

Attributes

- Name: [M-PRO 7 SYNTHETIC GREASE](#)
- Manufacturer: [M-PRO 7](#)
- Product no.: 945000024
- Mfr. No.: 070-1356
- Size: 12 cc
- Delivery weight: 0.039kg
- Shipping height: 18mm
- Shipping width: 46mm
- Shipping length: 178mm
- UPC: 763705103055

Safety Instruction Guide for MPro7 Synthetic Grease

Introduction

Thank you for choosing MPro7 Synthetic Grease, a highperformance lubricant designed for advanced military and law enforcement firearms. This guide provides essential safety instructions to ensure the safe use of this product. Please read this document carefully before using the product.

General Safety Guidelines

- Ensure safe use of MPro7 Synthetic Grease by following these guidelines:
 - Always store the product in a cool, dry place away from direct sunlight.
 - Keep out of reach of children and vulnerable individuals.
 - Use the product only for its intended purpose as specified in this guide.
 - Be aware of potential hazards associated with improper use.

Specific Safety Precautions for Use

- To minimize risks while using MPro7 Synthetic Grease, adhere to the following precautions:
 - Avoid contact with skin and eyes. In case of contact, rinse thoroughly with water.
 - Use in a wellventilated area to prevent inhalation of vapors.
 - Do not ingest the product. If swallowed, seek medical attention immediately.
 - Avoid using the product near open flames or high heat sources, as it is nonflammable but may release harmful vapors.
 - Do not mix with other chemicals or lubricants unless specified by the manufacturer.

Instructions for Installation and Usage

- Follow these steps for proper application of MPro7 Synthetic Grease:
 1. Ensure the surface to be lubricated is clean and free of debris.
 2. Apply a small amount of MPro7 Synthetic Grease to the desired area. A little goes a long way.
 3. Use a clean cloth or applicator to spread the grease evenly.
 4. Allow the grease to settle for a few minutes before using the equipment.
 5. For best results, reapply as needed, particularly after heavy use or exposure to extreme conditions.

Disposal Instructions

- Properly dispose of MPro7 Synthetic Grease and its packaging:
 - Do not dispose of the product in household waste.
 - Follow local regulations for hazardous waste disposal.
 - Consider recycling the container if applicable.

Contact Information for Further Support

For any inquiries or concerns regarding the safety of MPro7 Synthetic Grease, please contact the manufacturer directly. Ensure you have the product information available when reaching out for assistance.

By following these guidelines and precautions, you can ensure the safe and effective use of MPro7 Synthetic Grease. Thank you for prioritizing safety while using our product.
