## Safety Instruction Guide

### Introduction

Thank you for choosing the ULTRALIGHT SCOPE MOUNT by AERO PRECISION. This guide provides essential safety instructions and guidelines to ensure the safe use and proper installation of your scope mount. Please read this manual carefully before use to maximize safety and performance.

### General Safety Guidelines

- Always ensure that the scope mount is compatible with your firearm before installation.
- Inspect the scope mount for any defects or damage before each use.
- Use the scope mount only as intended, following all manufacturer instructions.
- Keep the scope mount out of reach of children and unauthorized users.
- Follow all local laws and regulations regarding firearm accessories.

### Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before installing or adjusting the scope mount.
- Do not exceed the recommended weight limit of the mount to avoid potential failure.
- Avoid using the mount in extreme conditions, such as excessive heat or cold, which may affect its performance.
- Regularly check the tightness of the mount screws to ensure stability during use.
- If you notice any unusual wear or damage, discontinue use immediately and consult a professional.

### Instructions for Installation and Usage

#### 1. Preparation

- Ensure you have the necessary tools for installation, including a torque wrench.
- Clean the mounting area on your firearm to remove dirt and debris.

#### 2. Installation Steps

- Align the scope mount with the mounting points on your firearm.
- Secure the mount using the provided screws, ensuring they are tightened to the manufacturer's specifications.
- Doublecheck the alignment and stability of the mount before attaching your scope.

#### 3. Usage Instructions

- After installing the scope, adjust it according to your shooting preferences.
- Regularly inspect the mount and scope for any signs of loosening or damage during use.

### Disposal Instructions

- Dispose of the scope mount responsibly according to local regulations.
- If the product is no longer usable, consider recycling the aluminum components where facilities are available.

## Contact Information for Further Support

For any questions or concerns regarding the ULTRALIGHT SCOPE MOUNT, please contact AERO PRECISION directly through their official channels. Always refer to the latest safety updates and product recalls available on the EU's Safety Gate platform.

Thank you for your attention to these safety guidelines. Your safety and satisfaction are our top priorities. Enjoy your shooting experience with the ULTRALIGHT SCOPE MOUNT!
