# ULTRALIGHT CANTELEVER SCOPE MOUNT SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the ULTRALIGHT CANTELEVER SCOPE MOUNT by AERO PRECISION. This guide provides essential safety instructions, installation procedures, and usage guidelines to ensure the safe and effective operation of your scope mount. Please read this document carefully before use.

## General Safety Guidelines

To ensure your safety and the safety of others, please follow these general guidelines:

- Always use the product as intended.
- Inspect the scope mount for any damage or wear before installation.
- Ensure that the mounting surface is clean and free of debris.
- Keep the product out of reach of children and pets.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

When using the ULTRALIGHT CANTELEVER SCOPE MOUNT, adhere to the following precautions:

- Ensure the mount is compatible with your firearm and scope.
- Avoid overtightening screws during installation, as this may cause damage.
- Regularly check the mount for signs of wear or loosening during use.
- Do not exceed the weight limit recommended for the mount.
- Use the mount only for its intended purpose with compatible optics.

## Instructions for Installation and Usage

Follow these steps for proper installation and usage of the ULTRALIGHT CANTELEVER SCOPE MOUNT:

### 1. Preparation

- Gather all necessary tools, including a torque wrench and appropriate screwdrivers.
- Ensure the firearm is unloaded and pointed in a safe direction.

### 2. Installation

- Place the scope mount on the MilSpec 1913 Picatinny rail.
- Align the crossslot keyway with the rail.
- Secure the mount using the provided screws.
- Use a torque wrench to tighten the screws to the manufacturer's recommended specifications.
- Doublecheck the alignment and stability of the mount.

### 3. Usage

- Attach your red dot sight or scope to the mount, following the manufacturer's instructions for your optic.
- Verify that the optic is securely attached and properly aligned.
- Perform a function check to ensure the setup is stable and secure.

## **Disposal Instructions**

Proper disposal of the ULTRALIGHT CANTELEVER SCOPE MOUNT is important for environmental safety:

- Dispose of the product in accordance with local regulations for electronic waste and metal recycling.
- Do not dispose of the product in regular household waste.
- If unsure, contact your local waste management authority for guidance.

## **Contact Information for Further Support**

For any questions or concerns regarding the ULTRALIGHT CANTELEVER SCOPE MOUNT, please refer to the contact information provided by your retailer or visit the AERO PRECISION website for additional support.

By following these safety instructions, you can help ensure a safe and enjoyable experience with your ULTRALIGHT CANTELEVER SCOPE MOUNT. Thank you for your attention to safety and responsible use.
