ULTRALIGHT SCOPE MOUNT AERO PRECISION 30MM 1.5" 0 MOA CANTILEVER MOUNT, FDE

Safety Instructions Guide

Introduction

Thank you for choosing the ULTRALIGHT SCOPE MOUNT by Aero Precision. This guide provides essential safety information to ensure the proper use and installation of your scope mount. It is important to read and understand these instructions to avoid potential hazards and to ensure the safe operation of your product.

General Safety Guidelines

- Ensure that the scope mount is compatible with your firearm and optics before use.
- Inspect the scope mount for any damage or defects before installation.
- Follow all local laws and regulations regarding the use of firearm accessories.
- Always handle firearms safely, following the basic rules of firearm safety.
- Keep the scope mount and all accessories out of reach of children and unauthorized users.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Do not exceed the recommended weight limit of the scope mount to prevent failure.
- Ensure that the mount is securely attached to the firearm before use.
- Avoid using the scope mount in extreme environmental conditions that may affect its performance.
- Regularly check the tightness of all screws and fasteners to ensure stability.
- If you experience any difficulty during installation or use, seek assistance from a qualified professional.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools for installation, including a torque wrench and appropriate screwdrivers.
- Ensure that your workspace is clean and free of distractions.

2. Installation Steps:

- Remove any existing scope mounts from your firearm.
- Clean the mounting area on the firearm to remove any dirt or debris.
- Align the ULTRALIGHT SCOPE MOUNT with the mounting points on the upper receiver of your firearm.
- Insert the screws and handtighten them to hold the mount in place.
- Using a torque wrench, tighten the screws to the manufacturer's recommended torque specifications (consult your firearm's user manual for details).
- Doublecheck the alignment of the scope mount to ensure it is level and properly positioned.

3. Usage:

- Attach your optic to the scope mount following the manufacturer's instructions for the optic.
- Ensure that the optic is securely fastened and properly aligned.
- Test the stability of the mount by gently applying pressure to the optic.

Disposal Instructions

- Dispose of the ULTRALIGHT SCOPE MOUNT in accordance with local regulations.
- Do not dispose of the product in regular household waste. Instead, consider recycling options where available.
- Remove any batteries or electronic components (if applicable) before disposal.

Contact Information for Further Support

For any inquiries or concerns regarding the ULTRALIGHT SCOPE MOUNT, please refer to the manufacturer's contact information provided in the product packaging or visit the manufacturer's website for assistance.

By following these safety instructions, you can ensure a safe and effective experience with your ULTRALIGHT SCOPE MOUNT. Thank you for prioritizing safety in your use of this product.
