

QUAD LOCK RINGS - 1" MEDIUM GLOSS

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Scope Rings](#)

Four Caps Give Double The Holding Power

Two caps per base provide twice the clamping power. 210° coverage provides even clamping pressure that pulls scope into base, prevents scope from rotating when tightening caps. Aluminum construction keeps weight to a minimum.

Attributes

- Name: [1" MEDIUM GLOSS](#)
- Manufacturer: [WEAVER](#)
- Product no.: 955000001
- Mfr. No.: 49074
- Finish: Gloss Black

QUAD LOCK RINGS 1" MEDIUM GLOSS Safety Instruction Guide

Introduction

Thank you for choosing the QUAD LOCK RINGS 1" MEDIUM GLOSS. This guide provides essential safety information, installation instructions, and proper usage guidelines to ensure your safety and the optimal performance of the product. Please read this guide carefully before use.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Regularly inspect the scope rings for any signs of wear or damage.
- Keep the product out of reach of children and vulnerable individuals.
- Do not modify the product in any way, as this may compromise its safety and performance.
- In case of an accident or injury, report it to the appropriate authorities.

Specific Safety Precautions for Use

- When tightening the caps, ensure that the scope is properly aligned to prevent any misalignment or damage.
- Avoid overtightening the caps, as this may cause damage to the scope or the rings.
- Use only compatible scope tubes with a diameter of 1" to ensure a secure fit.
- If you are using TipOff rings, ensure that they are compatible with 3/8" grooved .22 rimfire receivers.
- Always wear safety glasses when installing or adjusting the scope rings to protect your eyes from potential debris.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools, including a screwdriver and any additional equipment required for installation.
- Ensure that the work area is clean and free from distractions.

2. Installation Steps:

- Place the base of the scope rings onto the Weaverstyle base.
- Align the scope tube with the rings, ensuring that it is level and properly positioned.
- Insert the caps onto the base of the rings, making sure they fit securely.
- Gradually tighten the caps using a screwdriver, ensuring even pressure is applied.
- Check the alignment of the scope and make any necessary adjustments before fully tightening the caps.

3. Usage Instructions:

- After installation, check the scope for proper functionality and alignment.
- Regularly inspect the scope rings and caps for tightness and any signs of wear.
- If adjustments are needed, loosen the caps slightly and realign the scope before retightening.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.
- Consider recycling options for aluminum components where available.

Contact Information for Further Support

For any questions or concerns regarding the QUAD LOCK RINGS 1" MEDIUM GLOSS, please refer to the manufacturer's contact information provided in the product packaging or visit the manufacturer's website for further assistance.

Thank you for ensuring your safety and the safety of others while using the QUAD LOCK RINGS 1" MEDIUM GLOSS. Your adherence to these guidelines is essential for optimal performance and safety.
