

# QUAD LOCK RINGS - 1" HIGH, GLOSS

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Scope Rings](#)

## Four Caps Give Double The Holding Power

Two caps per base provide twice the clamping power. 210° coverage provides even clamping pressure that pulls scope into base, prevents scope from rotating when tightening caps. Aluminum construction keeps weight to a minimum.

## Attributes

- Name: [1" HIGH, GLOSS](#)
- Manufacturer: [WEAVER](#)

# QUAD LOCK RINGS 1" HIGH, GLOSS Safety Instructions

## Introduction

Thank you for choosing the QUAD LOCK RINGS 1" HIGH, GLOSS. This product is designed to provide secure clamping for your scope, ensuring optimal performance. It is essential to follow the safety instructions outlined in this guide to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that the product is used for its intended purpose only.
- Always inspect the product for any visible damage or defects before use.
- Keep the product out of reach of children and vulnerable individuals.
- Do not attempt to modify or repair the product yourself.
- Follow all manufacturer instructions for installation and usage.
- In case of any accidents or unsafe conditions, report them to the appropriate authorities.

## Specific Safety Precautions for Use

- Always wear appropriate eye protection when installing or adjusting the scope rings.
- Make sure that the scope is securely mounted to prevent it from coming loose during use.
- Avoid overtightening the caps, as this may damage the scope or the rings.
- Do not exceed the recommended weight limit for the scope and rings.
- Ensure that the scope tube diameter matches the specifications of the rings (1" in this case).
- Be cautious when using tools during installation to avoid injury.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary tools (e.g., screwdrivers, torque wrench).
- Ensure you have a clean and welllit workspace.

### 2. Installation

- Place the base of the scope rings onto the Weaverstyle base.
- Align the rings with the scope tube and ensure they are positioned correctly.
- Insert the caps and handtighten them to secure the scope in place.
- Use a torque wrench to tighten the caps to the manufacturer's recommended specifications.
- Check the alignment of the scope to ensure it is level and properly positioned.

### 3. Usage

- After installation, check the stability of the scope before use.
- Regularly inspect the rings and scope for any signs of wear or loosening.
- If you notice any issues, stop using the product and address the problem immediately.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.
- Check for recycling options in your area for metal components.

## **Contact Information for Further Support**

For any safety inquiries or support regarding the QUAD LOCK RINGS 1" HIGH, GLOSS, please contact the manufacturer or your local distributor. Ensure to have your product details ready for quicker assistance.

By following these guidelines, you can ensure the safe and effective use of the QUAD LOCK RINGS 1" HIGH, GLOSS. Thank you for your attention to safety.
