

QUAD LOCK RINGS - 1" HIGH EXT. GLOSS

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Scope Rings](#)

Four Caps Give Double The Holding Power

Two caps per base provide twice the clamping power. 210° coverage provides even clamping pressure that pulls scope into base, prevents scope from rotating when tightening caps. Aluminum construction keeps weight to a minimum.

Attributes

- Name: [1" HIGH EXT. GLOSS](#)

QUAD LOCK RINGS 1" HIGH EXT. GLOSS Safety Instruction Guide

Introduction

Thank you for choosing the QUAD LOCK RINGS 1" HIGH EXT. GLOSS. This guide provides essential safety information to ensure the safe use of this product. Please read and follow these instructions carefully to avoid hazards and ensure optimal performance.

General Safety Guidelines

- **Product Safety:** This product is designed for safe use when installed and utilized correctly. Ensure that you are familiar with the proper installation procedures outlined in this guide.
- **Enhanced Recalls:** Stay informed about product recalls. If you receive a recall notice, follow the instructions provided to ensure your safety.
- **Online Shopping:** If purchasing online, ensure that the retailer complies with safety standards applicable in your region.
- **Special Consumer Focus:** This product is not intended for use by children. Keep it out of reach to prevent accidents.
- **EU Contact Point:** For any safety inquiries regarding this product, refer to the manufacturer's contact information provided on the packaging or product insert.
- **Rapid Alerts:** Check the EU Safety Gate platform for updates on recalls or safety alerts related to this product.

Specific Safety Precautions for Use

- **Installation:** Ensure that the scope rings are installed correctly on a compatible Weaverstyle base to avoid accidents.
- **Overtightening:** Do not overtighten the caps, as this may damage the scope or the rings, leading to potential hazards.
- **Inspection:** Regularly inspect the rings for signs of wear or damage. Replace any damaged components immediately.
- **Weight Limit:** Be aware of the weight limit of your scope and ensure that the rings can adequately support it.
- **Environmental Conditions:** Avoid exposing the product to extreme temperatures or moisture, which may affect its integrity and performance.

Instructions for Installation and Usage

1. Preparation:

- Ensure you have all necessary tools for installation, including a torque wrench.
- Verify that the scope and rings are compatible with your firearm.

2. Installation:

- Place the base of the scope rings onto the Weaverstyle base.
- Position the scope in the rings, ensuring it is level and aligned with your shooting position.
- Insert the caps onto the rings and handtighten them to secure the scope in place.
- Use a torque wrench to tighten the caps to the manufacturer's recommended torque settings to prevent overtightening.

3. Usage:

- After installation, check the alignment of your scope and make any necessary adjustments.
- When using the firearm, ensure that the scope is securely held in place by the rings.
- Regularly check the tightness of the caps during use, especially after heavy shooting sessions.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- If the product is damaged beyond repair, consult local waste management services for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the QUAD LOCK RINGS 1" HIGH EXT. GLOSS, please refer to the contact information provided on the product packaging or insert.

Thank you for your attention to these safety instructions. Your safety is our priority, and we wish you a safe and enjoyable experience with your QUAD LOCK RINGS 1" HIGH EXT. GLOSS.
