

# QUAD LOCK RINGS - 1" HIGH, MATTE

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Scope Rings](#)

## Four Caps Give Double The Holding Power

Two caps per base provide twice the clamping power. 210° coverage provides even clamping pressure that pulls scope into base, prevents scope from rotating when tightening caps. Aluminum construction keeps weight to a minimum.

## Attributes

- Name: [1" HIGH, MATTE](#)
- Manufacturer: [WEAVER](#)
- Product no.: 955000005

# QUAD LOCK RINGS 1" HIGH, MATTE Safety Instruction Guide

## Introduction

Thank you for choosing the QUAD LOCK RINGS 1" HIGH, MATTE. These scope rings are designed to provide a secure and reliable mounting solution for your optics. To ensure safe and effective use of this product, please carefully read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Ensure that the product is suitable for your specific scope and firearm before installation.
- Always handle firearms safely and responsibly, following all local laws and regulations.
- Inspect the scope rings and your firearm for any signs of damage before use.
- Keep the product out of reach of children and individuals who may not understand its use.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Do not exceed the recommended torque specifications when tightening the caps to avoid damaging the scope or rings.
- Ensure that the scope is properly aligned before tightening the rings to prevent misalignment during use.
- Regularly check the scope rings for any signs of wear or loosening, especially after heavy use.
- Avoid using the product in extreme temperatures or conditions that may affect its integrity.
- If you experience any issues with the product, discontinue use immediately and seek assistance.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools, including a torque wrench.
- Ensure the firearm is unloaded and pointed in a safe direction.

### 2. Installation:

- Place the scope into the rings and adjust it to the desired position.
- Align the scope so that it is level and properly positioned for your shooting stance.
- Secure the scope by tightening the caps on the rings. Use a torque wrench to apply the recommended torque (consult the manufacturer's specifications for exact values).
- Ensure that the caps are tightened evenly to maintain proper clamping pressure.

### 3. Usage:

- After installation, check the scope alignment and make any necessary adjustments.
- Use the firearm in a safe and controlled environment.
- Regularly inspect the scope rings during use for any signs of loosening or damage.

## Disposal Instructions

- Dispose of the product according to local regulations.
- Do not dispose of in regular household waste if it contains hazardous materials.
- Consider recycling options for metal components where available.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the QUAD LOCK RINGS 1" HIGH, MATTE, please refer to the manufacturer's contact information provided with your product packaging.

Thank you for your attention to these safety guidelines. Enjoy your shooting experience with the QUAD LOCK RINGS!
