

SURE-GRIP RINGS - 1" MEDIUM GLOSS RINGS

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Scope Rings](#)

Give Uniform High-Strength Clamping Power

Steel caps with two screws per side provide extra strong, 4-screw, clamping power. Helps ensure that reticle stays square while tightening top screws. Large clamp nut locks rings to base, provides easy scope installation, removal; and accurate return to zero after re-installation.

SUREGRIP RINGS 1" MEDIUM GLOSS RINGS Safety Instructions

Introduction

Thank you for choosing the SUREGRIP RINGS 1" MEDIUM GLOSS RINGS. This product is designed to provide secure mounting for your scope, ensuring optimal performance during use. Please read this safety instruction guide carefully to ensure safe usage and proper installation.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always inspect the product for damage before use. Do not use if damaged.
- Keep this product out of reach of children.
- Follow all installation instructions carefully to avoid accidents.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

• Potential Hazards:

- Improper installation may lead to scope misalignment or detachment.
- Using the product with incompatible scope sizes can cause damage.
- Sharp edges on screws and caps may cause injury if handled carelessly.

• Avoiding Hazards:

- Always ensure the scope tube diameter matches the specifications of the rings (1 inch).
- Tighten screws gradually and evenly to avoid overtightening.
- Wear protective gloves when handling sharp components.
- Ensure that all components are securely fastened before use.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools, including a screwdriver suitable for the screws provided.
- Ensure the mounting base is clean and free from debris.

2. Installation Steps:

- Place the scope rings onto the mounting base.
- Align the rings so that they are parallel and centered over the base.
- Insert the screws into the designated holes on the rings.
- Tighten the screws gradually, alternating between rings to maintain even pressure.
- Ensure that the large clamp nut is securely locked to the base.

3. Usage:

- After installation, doublecheck the alignment of the scope.
- Test the stability of the scope by gently shaking it. If it moves, retighten the screws.
- Make sure to return to zero after any adjustments or reinstallation.

4. PostInstallation Check:

- Inspect the installation regularly, especially before use.
- Ensure that all screws remain tight and that there is no visible wear or damage.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.
- Recycle components where possible to minimize environmental impact.

Contact Information for Further Support

For any inquiries regarding safety or product support, please consult the manufacturer or authorized retailers.

Thank you for your attention to these safety guidelines. Your safety and satisfaction are our top priorities. Enjoy using your SUREGRIP RINGS 1" MEDIUM GLOSS RINGS!
