

SURE-GRIP RINGS - 1" HIGH GLOSS RINGS

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Scope Rings](#)

Give Uniform High-Strength Clamping Power

Steel caps with two screws per side provide extra strong, 4-screw, clamping power. Helps ensure that reticle stays square while tightening top screws. Large clamp nut locks rings to base, provides easy scope installation, removal; and accurate return to zero after re-installation.

SUREGRIP RINGS 1" HIGH GLOSS RINGS Safety Instruction Guide

Introduction

Thank you for choosing the SUREGRIP RINGS 1" HIGH GLOSS RINGS. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read this manual thoroughly before installation and usage.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Regularly inspect the rings for any signs of wear or damage.
- Keep out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Installation Safety:**
 - Ensure that the firearm is unloaded before installation.
 - Use appropriate tools to avoid damage during installation.
- **Usage Safety:**
 - Always verify that the scope is securely attached before use.
 - Check the alignment of the reticle regularly to ensure accuracy.
- **Maintenance Safety:**
 - Clean the rings and scope regularly to maintain performance.
 - Avoid using harsh chemicals that may damage the finish.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools: screwdriver, torque wrench, etc.
- Ensure the firearm is unloaded and pointed in a safe direction.

2. Installation:

- Place the rings on the base, ensuring they are aligned correctly.
- Insert the screws into the caps and tighten them securely.
- Use the large clamp nut to lock the rings to the base.
- Ensure that the top screws are tightened to maintain the square alignment of the reticle.

3. Usage:

- After installation, check the scope's alignment before taking any shots.
- If removing the scope, note the position of the rings for accurate reinstallation.
- After reinstallation, confirm that the scope returns to zero accurately.

4. Maintenance:

- Regularly check the tightness of screws and the clamp nut.
- Clean the rings with a soft cloth to remove dirt and debris.

- Store in a dry place to prevent rust or corrosion.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of in household waste; check for recycling options.
- Remove any batteries or electronic components before disposal, if applicable.

Contact Information for Further Support

For any questions or concerns regarding the SUREGRIP RINGS 1" HIGH GLOSS RINGS, please refer to your retailer or manufacturer for assistance. Always ensure you have the product details ready when seeking support.

By following these safety instructions, you can ensure a safe and effective experience with your SUREGRIP RINGS 1" HIGH GLOSS RINGS. Thank you for your attention to safety.
