

# SURE-GRIP RINGS - 1" X-HIGH MATTE RINGS

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Scope Rings](#)

## Give Uniform High-Strength Clamping Power

Steel caps with two screws per side provide extra strong, 4-screw, clamping power. Helps ensure that reticle stays square while tightening top screws. Large clamp nut locks rings to base, provides easy scope installation, removal; and accurate return to zero after re-installation.

## Attributes

# **SUREGRIP RINGS 1" XHIGH MATTE RINGS Safety Instructions**

## **Introduction**

Thank you for choosing the SUREGRIP RINGS 1" XHIGH MATTE RINGS. This guide provides essential safety instructions and guidelines to ensure safe and effective use of the product. Please read this document carefully before installation and usage to avoid any potential hazards.

## **General Safety Guidelines**

- Ensure that the product is used only for its intended purpose as specified in the product description.
- Always inspect the product for any signs of damage or wear before use. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals to prevent accidental injury.
- Follow all installation and usage instructions to avoid risks associated with improper handling.
- In case of any doubts or concerns regarding the product's safety, please seek professional assistance.

## **Specific Safety Precautions for Use**

- The SUREGRIP RINGS are designed for use with scopes that have a 1" diameter tube. Ensure compatibility before installation.
- Always tighten the screws evenly to avoid misalignment of the scope and ensure stability.
- Avoid overtightening the screws, as this may damage the scope or the rings.
- Use appropriate tools when installing or removing the rings to prevent injury.
- If you experience any difficulty during installation or usage, stop and consult a professional.

## **Instructions for Installation and Usage**

### **1. Preparation:**

- Gather all necessary tools (screwdriver, etc.) before starting the installation.
- Ensure that the rifle or firearm is unloaded and pointed in a safe direction.

### **2. Installation:**

- Place the scope rings onto the base according to the manufacturer's instructions.
- Align the scope tube within the rings.
- Insert the screws into the rings and handtighten them to secure the scope in place.
- Use a screwdriver to tighten the screws gradually and evenly. Ensure that the top screws are tightened last to maintain alignment.
- Check that the scope is level and properly aligned before final tightening.

### **3. Usage:**

- After installation, check the stability of the scope and rings before using the firearm.
- Regularly inspect the rings and screws for tightness and any signs of wear or damage.

### **4. PostUsage:**

- After use, clean the scope and rings to prevent dirt and debris buildup.
- Store the firearm and accessories in a safe and secure manner.

## Disposal Instructions

- Dispose of the product in accordance with local regulations and guidelines for waste disposal.
- Do not dispose of the product in regular household waste. Check for recycling options in your area.

## Contact Information for Further Support

For any inquiries or further assistance regarding the SUREGRIP RINGS, please reach out to the manufacturer or an authorized dealer. Ensure that you have the product details available for reference.

## Conclusion

By following these safety instructions and guidelines, you can ensure a safe and effective experience with your SUREGRIP RINGS 1" XHIGH MATTE RINGS. Always prioritize safety and consult professionals when necessary. Thank you for your attention to these important safety measures.
